For trips that include a multi-night Domestic Cruise, select an International Plan for cover and the Cruise cover is required. Please see Cruise cover on page 6 for details.

Cruise cover

Mandatory if You are travelling on a multi-night cruise

International Comprehensive and Essentials

Will you be travelling for 2 or more nights on an ocean or sea going cruise?

If Your cruise is on an ocean or sea overseas or outside Australian Coastal Waters, to be insured for claims relating to cruise travel (e.g. cancelling the cruise) or that occur while on a cruise (e.g. getting sick or injured on-board a cruise vessel), You must tell Us You are doing a cruise and pay an extra premium to have cover. Cruise Cover will then be shown on Your Certificate of Insurance.

For all multi-night cruise travel: By adding Cruise Cover all of the policy benefit sections included in the plan You chose will apply for a multi-night cruise. The Cruise cover benefits in the table following will also be included. Also see Additional Cruise Benefits on pages 39-40.

Cruise cover - Summary of additional cruise benefits		Excess applies?	Limit
(i)	On-board medical and dental cover	Yes	\$Unlimited#
(ii)	Ship to shore medical cover	Yes	\$Unlimited
(iii)	Sea sickness cover	Yes	\$Unlimited#
(iv)	Cabin confinement	No	\$100 per day – up to a maximum of \$1,500
(v)	Missed Port	No	\$1,000
(vi)	Missed shore excursions	No	\$1,000

Cover will not exceed 12 months from the onset of the illness or injury.

If You do not tell Us about Your cruise, claims in any way related to Your multi-night cruise, and multi-night cruise travel or that arise while on a multi-night cruise are specifically excluded by this policy.

When don't I need to add Cruise Cover?

You don't need to add cruise cover if You are:

- travelling on a river cruise;
- not travelling on a cruise;
- on a cruise for only one night;
- only taking a ferry trip;
- are cruising in Australia (e.g. on the Murray River) or in Australian coastal waters (e.g. a Kimberley Cruise); or
- are sailing. (Note: Sailing is not covered in International Waters).

Multi-night cruise travel and COVID-19

If You are diagnosed with COVID-19 on board a multi-night cruise, cover applies to:

- On-board medical and dental cover
- Ship to shore medical cover.

See SECTION 18: COVID-19 Benefits pages 36-38 and Additional Cruise Benefits pages 39-40 for the details of what cover is included.

Policy inclusions and choices

Single Trip or Annual Multi-Trip

You can choose a policy to cover one Single Trip or, if You are a frequent traveller, rather than buying a Single Trip policy each time You travel, You may want to buy an Annual Multi-Trip policy.

With Our Annual Multi-Trip policy You can select from the available choices, a Journey duration to suit Your needs and be covered for an unlimited number of Journeys up to the maximum Journey duration chosen.

For Your Journey to be covered by the Annual Multi-Trip policy, Your destination must be more than 250 kilometres from Home or, if less than that, Your trip must include at least one night paid accommodation booked with an accommodation supplier or provider (including a hotel, Bed & Breakfast (B&B), serviced apartment or peer to peer service such as Airbnb).

Areas of travel

Where You travel will influence Your premium.

Single Trip: You will need to choose the main destination based on where You will spend the most time on Your Journey.

Annual Multi-Trip: You will need to choose the area which will cover all of Your trips for the year.

Note: If 20% or more of any Journey will be spent in the Americas or Africa, You must nominate the area including these countries as the main destination.

What about a cruise?

- Within Australia on an inland waterway (e.g. a Murray River cruise) or within Australian coastal waters (e.g. a Kimberley cruise where the cruise does not leave these waters) – Please choose or enter “Australia” for a Domestic Plan.
- A cruise from a port in Australia to another port(s) in Australia that does not stop at a port outside of Australia (e.g. a cruise from Sydney to Brisbane or a Kimberley cruise that leaves Australian waters) – Please choose or enter “Domestic Cruising” for an International plan which includes SECTION 1: Overseas medical and dental expenses (including emergency repatriation/evacuation).
- Overseas (e.g. a European river cruise, Caribbean cruise or a cruise from Hong Kong to Sydney) or from a port in Australia to another port or ports outside Australia (e.g. Sydney/Singapore) – Please choose or enter the main area or destination/country based on where You will spend the most time on Your trip.

Excess choices

Our International Comprehensive Plan and International Essentials Plan provide You with a choice of excess options. The excess will be shown on Your Certificate of Insurance and only applies in the event of a claim.

When You make a claim arising from the one event, an excess (if applicable) will only be applied once.

The Domestic Comprehensive Plan and the Domestic Cancellation Plan have a \$50 excess.

See 1. Excess on page 22 for more information.

Schengen visa

Our International Plans provide \$Unlimited benefit for expenses which might arise in connection with repatriation for medical reasons, urgent medical attention and/or emergency hospital treatment and up to 30,000EUR for overseas funeral expenses or repatriation of Your remains.

Cancellation cover

On the International Comprehensive Plan, International Essentials Plan and Domestic Cancellation Plan, You can select the amount of cancellation cover that suits You. Select an amount from the options available at the time of applying for cover.

The level of cancellation cover You choose will influence Your premium. Typically people look to choose an amount that will cover all prepaid travel tickets, hotels, tours or other travel related expenses for all travellers on the policy.

The level of cover You choose will be the total amount of cover available under Section 3, on a per policy basis on the International Comprehensive or Essentials Plans and on a per person basis on the Domestic Cancellation Plan. The amount chosen will be shown on Your Certificate of Insurance.

Cancellation cover and COVID-19 benefits

For claims related to COVID-19 sub-limits may apply, and cover is not available on all plans. Please see SECTION 18: COVID-19 benefits pages 36-38 for details.

Extending Your Journey

If You are travelling and wish to be insured for longer than the original period shown on Your original Certificate of Insurance, You need to purchase a new policy by calling or emailing Your travel consultant or Cover-More prior to the expiry date. It is not an extension of the previous policy. Your Certificate of Insurance will be adjusted with the new dates.

Please note:

- Should a medical condition present itself before the new policy is issued, it may be considered an Existing Medical Condition under a new policy. Therefore it may not be covered by the new policy. Purchasing a longer duration up front may avoid this risk.
- Restrictions on the duration of the new policy may apply. For example, the maximum overall period for Worldwide cover is 12 months in total.
- If You can't return Home on Your original date due to an unforeseeable circumstance outside Your control, the policy will automatically extend. See policy condition 9. Free extension of insurance on page 23 for details.

Cooling-off period

You can cancel or change Your policy at any time before You leave Home. If You cancel this policy for any reason within the cooling-off period which is within 21 days of the date of purchase, We will give You Your money back.

Our cooling-off period ensures a refund of the entire premium unless You have already made a claim under the policy or departed on Your Journey.

If You wish to cancel Your policy and receive a full refund, please contact Us within the cooling-off period.

Options to vary cover

We are able to provide You with a range of options to vary cover; some automatically included depending on the plan chosen and others available if You elect to buy them and pay the required extra premium.

Existing Medical Conditions and Pregnancy

See Travel and health on pages 10-14.

Luggage and personal effects

It is Your responsibility to provide Us with evidence to support Your claim for an item. This is 'proof of ownership'.

- We will accept the original or a copy of a purchase receipt, invoice and/or bank statement showing the purchase, the date of the purchase and the amount paid.
- We may consider valuation certificates (issued prior to the Relevant Time), ATM receipts and warranty cards with accompanying bank statement of purchases.
- We will not accept photographs, packaging or instruction manuals as proof of ownership.

Safety of Your belongings and limits to the cover

- Don't check in Your Valuables – keep them with You as they're not covered by Us when checked-in with the Transport Provider (unless security regulations meant You were forced to check them in).
- Items left Unattended in any motor vehicle (for example, a car, campervan or motorhome) or towed land vehicle during daylight hours are not covered, unless they are stored in the Concealed Storage Compartment of the locked motor vehicle or towed land vehicle and forced entry was gained. A limit of \$500 per item and a maximum of \$2,000 in total applies.
- Don't leave items Unattended in ANY motor vehicle or towed land vehicle overnight, as they're not covered.
- Don't walk away from or leave Your belongings Unattended in a Public Place. They're not covered by Us.
- Report any loss or theft to the police within 7 days of when You first become aware of the incident, as a police report is required so We can validate that the incident occurred. Also, Your belongings may have been handed in and may be recovered or the police may have a chance to follow up an alleged crime.
- Additionally, We require the relevant report from the related party. For example, an Airline Property Irregularity Report (PIR) is also required if Your items were lost or stolen when travelling with an airline.
- If You are unable to provide Us with a copy of the relevant report, You must provide Us with a reasonable explanation and details of the time and place You made the report, including their contact details.

Increase luggage item limits

You may be able to increase the item limit by paying an additional premium. Please ask us for a quote. The extra amount you add is in addition to the standard limit shown in the relevant table for your plan. You must have a receipt or valuation that is less than two years old for any item you specify.

We may also ask you to give us a receipt or valuation for the item at the time of claim. If you bought the item within the last two years, please give us the receipt, or a valuation if the receipt is unavailable. If you bought the item more than two years ago, you'll need to provide a valuation dated within the last two years, otherwise depreciation will be applied as per the table on Depreciation table on page 29.

The following are examples of items considered as one item for the purpose of this insurance (an item limit will apply):

- Camera, lenses, tripods and camera accessories (attached or not)
- Smart phone and cover/case
- Matched or unmatched set of golf clubs, golf bag and buggy
- Necklace and pendant
- Charm bracelet and charms

Luggage item limits automatically included in Your cover

The following item limits apply to any one item, set or pair of items (including attached and unattached accessories), up to the following limits, after taking into account depreciation. See pages 29-30 for depreciation rates and an example of how a claim is worked out.

Travel and Health

Do You have an Existing Medical Condition?

Claims which in any way relate to, or are exacerbated by, an Existing Medical Condition or related new infections are specifically excluded from this policy unless Your Existing Medical Condition is approved by Us.

What does this mean?

If You have an Existing Medical Condition and for example take medication to keep that condition in check, it doesn't mean You can't purchase travel insurance.

It does however, mean that You should tell Us about all Your Existing Medical Conditions including anything for which medication is prescribed so We can complete an online health assessment and, if We approve, offer You cover.

If You choose to declare some conditions and not others or choose not to declare any conditions, You run the risk of a claim being denied. See Existing Medical Conditions for more information.

Assessing Your health

So We can assess the risk, We may also require You to answer some questions about Your general health as well as completing an online health assessment at the time of applying for this travel insurance.

Existing Medical Conditions

(Of You or Your travelling companion)

Cover for claims which in any way relate to, or are exacerbated by, an Existing Medical Condition or related new infections are specifically excluded from this policy. However, We may separately provide cover for an Existing Medical Condition. If such cover is applied for and approved, an extra premium may apply.

What is an Existing Medical Condition?

“Existing Medical Condition” means a disease, illness, medical or dental condition or physical defect that, at the Relevant Time, You were aware of or a reasonable person in Your circumstances could be expected to have been aware of, by reference to all relevant factors including whether it meets any one of the following:

- a. Has required an emergency department visit, hospitalisation or day surgery procedure within the last 12 months.
- b. Requires:
 - i. prescription medication from a qualified medical practitioner;
 - ii. regular review or check-ups;
 - iii. ongoing medication for treatment or risk factor control; or
 - iv. consultation with a specialist.

- c. Has:
 - i. been medically documented involving the brain, circulatory system, heart, kidneys, liver, respiratory system or cancer; or
 - ii. required surgery involving the abdomen, back, brain, joints or spine that required at least an overnight stay in hospital.
- d. Is:
 - i. chronic or ongoing (whether chronic or otherwise) and medically documented;
 - ii. under investigation;
 - iii. pending diagnosis; or
 - iv. pending test results.

Relevant Time in respect of:

- a. Single Trip policies means the time of issue of the policy.
- b. Annual Multi-Trip policies means the first time at which any part of the relevant trip is paid for or the time at which the policy is issued, whichever occurs last.

If You are unsure whether You have an Existing Medical Condition, please call 1300 305 790 for assistance.

Getting cover for Your Existing Medical Conditions

There are 3 categories of Existing Medical Conditions:

- Conditions which cannot be covered
- Conditions We automatically include
- Conditions We need to assess

Please review each of the categories to determine which category applies.

Existing Medical Conditions which cannot be covered

This policy does not provide cover for claims which in any way relate to, or are exacerbated by:

- conditions involving drug or alcohol dependency;
- travel booked or undertaken against the advice of any medical practitioner;
- routine or cosmetic medical or dental treatment or surgery during the Journey, even if Your Existing Medical Condition has been approved;
- conditions for which You are travelling to seek advice, treatment or review or to participate in a clinical trial.

Medical conditions that are undiagnosed or awaiting specialist opinion

We are unable to offer cover for medical conditions You were aware of, or a reasonable person in Your circumstances could be expected to have been aware of, or arising from signs or symptoms* that You were aware of or a reasonable person in Your circumstances could be expected to have been aware of, at or before the Relevant Time, and for which at that time:

- You had not yet sought a medical opinion regarding the cause;
- You were currently under investigation to define a diagnosis; or
- You were awaiting specialist opinion.

You will still be eligible for the other benefits provided by the policy but You may not apply for cover for any Existing Medical Conditions. There will be no cover for claims which in any way relate to, or are exacerbated by, any Existing Medical Condition or any condition where the points listed above apply.

If You receive a diagnosis before You depart on Your Journey, You may be able to complete a health assessment and, if approved, add Existing Medical Condition cover to Your policy by paying Us the required premium.

Existing Medical Conditions We need to assess

If Your condition:

- does not meet the criteria above;
- You have one or more conditions which are not listed in the table of conditions we automatically include; or
- a combination of both the above points

You will need to complete an online health assessment by declaring all Your Existing Medical Conditions to Us.

To be clear, the conditions We automatically include only apply if You do not have other Existing Medical Conditions beyond those on this list.

Conditions to pay particular attention to

Chronic lung conditions

If You have a chronic lung condition*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims which in any way relate to or are exacerbated by:

- that condition;
- a respiratory infection e.g. Influenza; or
- a lung infection e.g. Pneumonia.

*Chronic lung condition includes Chronic Bronchitis, Chronic Obstructive Pulmonary Disease (COPD), Emphysema or Pulmonary Fibrosis.

What does this mean?

For example, if You have COPD and are diagnosed with a respiratory infection, Your claim will not be covered because We consider the respiratory infection to complicate and be a complication of the underlying Existing Medical Condition, COPD.

Cardiovascular Disease

If You have a condition involving Your heart and blood vessels, collectively known as Cardiovascular Disease**, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims which in any way relate to or are exacerbated by:

- that condition; or
- another heart/cardiovascular system problem including a Heart Attack or Stroke.

**Cardiovascular Disease includes Aneurysms, Angina, Cardiac Arrhythmias (disturbances in heart rhythm) Cardiomyopathy, Cerebrovascular Accident (CVA or Stroke), previous heart surgery (including valve replacements, bypass surgery or stents), Myocardial Infarction (Heart Attack) or Transient Ischaemic Attack (TIA).

What does this mean?

For example, if You have ever been diagnosed with Coronary Artery Disease, also known as Ischaemic Heart Disease (IHD), it is considered a life-long condition. The risk of disease is elevated whether or not You have been treated with bypass surgery or coronary artery stent insertion. If You haven't told Us about Your condition, We haven't approved it and You haven't paid the additional premium, We won't be able to consider Your claim if something goes wrong before or during Your Journey with respect to these conditions.

Reduced immunity

If You have reduced immunity at the Relevant Time (e.g. as the result of a medical condition or medical treatment), unless You complete a health assessment which is then approved by Us and You pay the required extra premium, We won't be able to approve claims which in any way relate to, or are exacerbated by, the underlying medical condition or a new infection.

What does this mean?

For example, if You currently suffer from a condition that is associated with significant immunosuppression or You require medication that significantly impairs immune function (e.g. Methotrexate, Azathioprine or high dose steroids), You should tell Us about Your condition, otherwise We won't be able to cover Your claim if You develop an opportunistic infection with respect to these conditions.

What happens if I have an Existing Medical Condition but do not take steps to cover it under my travel insurance policy?

We will not pay any claims which in any way relate to, or are exacerbated by, Your Existing Medical Condition if:

- You do not apply for this cover for Your Existing Medical Conditions at the Relevant Time or, at the latest, before You depart on Your Journey;
- You apply for this cover for Your Existing Medical Conditions and We do not agree to provide cover; or
- We agree to provide cover for Your Existing Medical Condition and You do not pay the required extra premium.

This means, for example, that You will have to pay for an overseas medical emergency which can be very expensive in some countries.

If You have any questions about Existing Medical Conditions, please call 1300 305 790 for help.

How to complete a health assessment

You can complete an online health assessment with Your travel insurance quote. You may also contact us for assistance.

- You'll need to have sufficient knowledge about each Existing Medical Condition to be able to complete a full declaration so We can assess the risk.

For example, We need to know the name of the medical condition You take medication for, rather than the name of the medication. Check with Your doctor first if unsure. Check all Existing Medical Conditions have been disclosed to Us. Telling Us about all Your Existing Medical Conditions is important. If You leave off any Existing Medical Condition it may jeopardise the outcome of Your claim if You need to make one.

- We will provide Your assessment outcome and a number.
- If We can approve Your health assessment, You must pay an extra premium to add cover for Your Existing Medical Conditions to the policy.
- An approval number for this cover will then be listed on the Certificate of Insurance We give You.

Special conditions, limits and excesses may apply depending on Your Existing Medical Condition, age, trip destination and duration. This will be stated on Your Certificate of Insurance or separately advised to You in writing.

Pregnancy

Our policy provides limited cover for pregnancy.

If You know You are pregnant at the Relevant Time, You will need to apply for cover if:

- there have been complications with this pregnancy or a previous pregnancy;
- You have a multiple pregnancy e.g. twins or triplets; or
- the conception was medically assisted e.g. using assisted fertility treatment including hormone therapies or IVF.

Relevant Time in respect of:

- a. Single Trip policies means the time when the policy is issued.
- b. Annual Multi-Trip policies, means the first time when a part of the relevant trip is paid for or the time when the policy is issued, whichever occurs last.

Please complete additional questions in an online medical assessment in order to determine eligibility and obtain a quote. If You have any questions about the online assessment or prefer to talk with a customer service agent, please call 1300 305 790.

Pregnancy restrictions

Whether or not You have to apply for pregnancy cover, the following restrictions apply to claims arising in any way from the pregnancy of any person.

- Cover is only provided for serious, unexpected pregnancy complications that occur up until the 24th week of pregnancy i.e. up to 23 weeks, 6 days. Gestational age is measured in weeks and days and is calculated from the last known date of Your menstrual period or calculated from staging ultrasound.
- Childbirth is not covered.
- Costs relating to the health or care of a newborn child are not covered, irrespective of the stage of pregnancy when the child is born.

What does this mean?

Expectant mothers should consider if Our products are right for them when travelling after 20 weeks gestation as costs for childbirth and neonatal care overseas can be expensive.

Health of other people impacting Your travel (non-traveller)

This policy has cover if You need to change Your trip due to the health of a Relative or Your business partner who is not travelling.

What is covered?

We will pay for claims arising from the sudden disabling injury, sickness or disease or death of a Relative or Your business partner who is not travelling if, at the Relevant Time, that person:

- a. in the last 12 months, had not been hospitalised (including day surgery or emergency department attendance) for a condition that was in any way related to, or exacerbated by, the condition that gave rise to the claim;
- b. was not residing in a facility such as a nursing home, an aged care facility, a residential aged care home, a high and/or low care facility, a privately owned accommodation facility such as Supported Residential Services or Facilities (SRS/SRF) or, a residential care facility;
- c. was residing independently at home or in a retirement home or village, including independent living arrangements, and they did not require home care or flexible care services;
- d. was not on a waiting list for, or did not know they needed surgery, inpatient treatment or tests at a hospital or clinic;
- e. did not have a drug or alcohol addiction; and
- f. did not have a Terminal Illness.

What are the restrictions and limits?

If any point a-f cannot be met e.g. if Your non-travelling Relative was in a nursing home or did have a Terminal Illness, the maximum We will pay is \$1,000 under all sections of the policy combined.

- For Your reference, “**Relative**” means a person who is Your spouse, de facto; parent, parent-in-law, stepparent, guardian; grandparent; child, foster child, grandchild; brother, brother-in-law, half-brother, stepbrother, sister, sister-in-law, half-sister, stepsister; daughter, daughter-in-law, stepdaughter, son, son-in-law, stepson; fiancé, fiancée; uncle, aunt; or niece, nephew.

What isn't covered?

- Claims related to non-travellers who aren't a Relative or Your business partner.
- Claims where You are aware of a circumstance which is likely to give rise to a claim.
- Claims which in any way relate to circumstances You knew of, or a person in Your circumstances would have reasonably known or foreseen, at the Relevant Time, that could lead to the Journey being delayed, abandoned or cancelled.

Examples

- Jim's father was hospitalised after a serious accident. After hearing the bad news, Jim cancelled his upcoming trip and received a 50% refund.
He then bought a travel insurance policy so he could claim the rest of the money back.
When Jim bought the policy, he had already cancelled the trip so his claim would not be covered.
- Khalida's mother had been unwell for several months and was booked to have medical tests. Khalida organised a holiday and travel insurance. Unfortunately, the test results showed her mother had a serious sickness so Khalida cancelled her holiday to spend time with her mother. Because her mother was having tests after being unwell when Khalida bought her policy, her claim would not be covered as she knew at that time, or a person in her circumstances would have reasonably known or foreseen, that she may need to cancel her trip due to her mother's health.

Duty to take reasonable care not to make a misrepresentation

This is a consumer insurance contract under the Insurance Contracts Act 1984 (Cth) (Act).

Under the Act, You have a duty to take reasonable care not to make a misrepresentation to Us.

This duty applies whenever You enter into, renew, extend or vary this contract of insurance. In all cases, We will ask You questions that are relevant to Our decision to insure You and on what terms.

It is important that You understand You are answering Our questions in this way for Yourself and anyone else that You want to be covered by the contract.

When You answer the questions You must give a true and accurate account of matters. Your response should tell Us everything that You know about the question because Your response is relevant to whether We offer You insurance and the terms We offer You.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a misrepresentation.

Circumstances relevant to Your duty

Whether or not You took reasonable care not to make a misrepresentation will be determined with regard to all the relevant circumstances.

If We know, or ought to know about Your particular characteristics or circumstances, We will consider these to determine if You took reasonable care not to make a misrepresentation to Us.

We may consider the following matters to determine if You took reasonable care not to make a misrepresentation to Us:

- the type of consumer insurance contract in question, and its target market;
- explanatory material or publicity produced or authorised by Us;
- how clear, and how specific, the questions We asked were;
- how clearly We communicated to You the importance of answering those questions and the possible consequences of failing to do so;
- whether or not an agent/insurance broker was acting for You; or
- whether the contract was a new contract or was being renewed, extended, varied or reinstated.

You are not to be taken to have made a misrepresentation merely because You:

- failed to answer a question; or
- gave an obviously incomplete or irrelevant answer to a question.

Consequences if You fail to take reasonable care and do make a misrepresentation

If You do not take reasonable care when answering Our questions and the result is You do make a misrepresentation to Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to take reasonable care not to make a misrepresentation to Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

When and how benefits are provided

The benefits for which You are insured under this policy are payable when:

- an insured event occurs during the Period of Insurance causing You to suffer loss or damage or incur legal liability; and
- Your claim is accepted by Us.

After calculating the amount payable We will either:

- pay for specified Additional expenses;
- pay the person to whom You are legally liable;
- pay the cash value, repair cost or arrange replacement of Your personal items (after deducting depreciation where applicable); or
- pay You.

The amount You pay for this insurance

The amount We charge You for this insurance policy is the total amount of the premium that We calculate to cover the risk and any relevant government charges (such as Goods and Services Tax (GST) and stamp duty). These amounts add up to the total amount You must pay.

Once the policy is issued Your total premium and any relevant government charges are shown on the Certificate of Insurance. If You wish to change Your policy in any way please contact us.

How various factors affect the Amount Payable

We consider a number of factors in calculating the total Amount Payable. The following is a guide on these key factors, how they combine and how they may impact the assessment of risk and therefore Your premium.

The following is a guide on how these factors combine together and impact the assessment of risk, and therefore Your premium.

- **Area** – higher risk areas cost more.
- **Departure date and trip duration** – the longer the period until You depart and the longer Your trip duration, the higher the cost may be.
- **Age** – higher risk age groups cost more.
- **Plan** – the International Comprehensive Plan, which provides more cover, costs more than the International Essentials Plan, the Domestic Comprehensive Plan or the Domestic Cancellation Plan.
- **Excess** – on some policies You can choose the excess amount.
- **Cruise cover** – additional premium applies.
- **Duration** – the longer Your trip the more it can cost.
- **Cancellation cover** – on some policies You can choose Your own level of cancellation cover. The more cancellation cover You require the higher the cost may be.
- **Adding cover for Existing Medical Conditions and pregnancy** (where available) – additional premium may apply if a medical assessment is completed and cover is accepted by Us.
- **Extra cover options** (where available) – additional premium may apply.

How a claim settlement is calculated

When We pay a claim We consider a number of aspects in calculating the settlement. These include:

- the amount of loss or damage or liability;
- the excess;
- maximum benefit limits and sub-limits;
- depreciation; and
- the terms and conditions of the policy.

The following is an example to show how We will calculate claim settlement:

- Your new laptop with an original purchase price of \$4,000 is stolen from a hotel room.
- You are travelling on the International Comprehensive Plan.
- The excess shown on Your Certificate of Insurance is \$100.
- You have not paid an additional amount to increase the standard item limit.

The claim settlement would be calculated as follows:

- Consider the original purchase price of the laptop – \$4,000 (no depreciation applies because the laptop was new).
- Consider the maximum benefit limit for Luggage and personal effects – \$12,000.
- Consider the maximum item limit payable for laptops – \$3,000. As We will not pay more than the relevant item limit for any one item, the maximum We will pay for the laptop in this example is \$3,000.
- Consider the excess of \$100. As the excess in this example is \$100, an excess of \$100 is deducted. This results in a claim settlement of \$2,900 (\$3,000 less \$100 excess). Alternately, We may replace the laptop and ask You to pay the \$100 excess to Us. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

Policy wording

The benefits described in this Policy wording should be read in conjunction with Policy inclusions and choices (pages 6-7), Cruise cover (page 6), Options to vary cover (pages 7-9), Travel and health (pages 10-15), Duty to take reasonable care not to make a misrepresentation (pages 17-18), Words with special meaning (pages 20-22), Policy conditions (pages 22-24) and General exclusions (pages 41-42).

THE POLICY IS NOT VALID UNLESS A CERTIFICATE OF INSURANCE IS ISSUED TO YOU.

We will give You the insurance cover described in the policy in return for receiving the total Amount Payable.

It is a condition of the policy that:

- You are not aware of any circumstance which is likely to give rise to a claim;
- You are a resident of Australia with a valid Australian Medicare card or currently living in Australia with a visa allowing You to live, work or study in Australia) and will be returning Home at the completion of the Period of Insurance; and
- If You purchase the Annual Multi-Trip policy:
 - cover will only extend to a Journey
 - to a destination more than 250 kilometres away from Your Home; or
 - that includes at least one night paid accommodation booked with an accommodation supplier or provider (including a hotel, Bed & Breakfast (B&B), serviced apartment or peer to peer service such as Airbnb); and
 - the length of each Journey cannot exceed the maximum duration shown on Your Certificate of Insurance.

Policy conditions

1. Excess

The excess is the first amount of a claim that We will not pay for. It is deducted from Your claim if it is approved by Us. The excess applies per event i.e. if You fall over and need medical treatment, and smashed Your smart phone in the fall, the excess will be deducted once.

Claim example: You have a \$250 excess on Your policy. If You made a claim for \$2,500 under SECTION 1: Overseas medical and dental expenses (including emergency repatriation/evacuation), You already paid the expenses and We approve Your claim, We would deduct the \$250 excess from the claim before We paid You. If, via Our emergency assistance team, We approved a claim directly with an overseas medical provider, We may ask You to pay the \$250 excess directly to the provider at the time or request You to pay it to Us before We can finalise Your claim with the provider. In any event, the total claim We pay is \$2,250.

The excess, if applicable, applies to any claim arising from a separate event in respect of Sections 1, 2, 3, 4, 5, 6, 10, 11 and Additional Cruise Benefits (i)-(iii) and for Section 18 where relevant. The excess is the amount shown on Your Certificate of Insurance.

An additional or higher excess may apply in certain circumstances.

2. Limits of liability

The limits of Our liability for each Section of the policy are the amounts shown in the relevant Benefits table for the Plan selected (see pages 4-5) except:

- where the policy limit for Section 3 on the International Comprehensive Plan or the International Essentials Plan will be shown on Your Certificate of Insurance;
- the Domestic Cancellation Plan where the maximum liability collectively shall not exceed in total the sum insured stated under the policy Plan selected for Sections 2 and 3;
- where additional luggage cover has been effected;
- the maximum liability collectively for Sections 14, 15 and 16, shall not exceed \$45,000 on the International Comprehensive Plan and the Domestic Comprehensive Plan;
- the maximum liability collectively for Sections 1 and 2, shall not exceed \$10,000,000 on the International Essentials Plan;
- where You have paid the additional premium to include Cruise cover on the International Comprehensive Plan or the International Essentials Plan, the standard benefits apply as per the plan purchased and the Cruise cover additional benefits and limits apply (see pages 39-40);
- where We have notified You in writing of different limits;
- where cover is subject to special conditions, limitations, excesses and amounts payable dependent on Your age, duration and destination. This will be stated on Your Certificate of Insurance; or

- i. in some circumstances, prior to Your entry into the policy or when You apply for cover for Your Existing Medical Conditions, whichever occurs later, We may impose an additional or higher excess for claims arising from Existing Medical Conditions. We will inform You in writing if this applies: These will be set out in Your Certificate of Insurance or in a letter from Our medical assessment team.

3. Claims

- a. You must report any loss or theft of luggage, personal effects, travel documents or money to the police, the Transport Provider or accommodation provider as relevant within 7 days of You first becoming aware of the loss or theft. You should obtain a report confirming the incident to submit to Us with Your claim.
- b. You must take all reasonable steps to prevent or minimise a claim.
- c. You must not make any offer, promise of payment or admit any liability without Our consent. We or Our Emergency Assistance team will not unreasonably withhold or delay Our consent.
- d. You must advise Us of any claim or occurrence which may give rise to a claim as soon as possible and within 60 days of the return date shown on Your Certificate of Insurance by sending a completed claim form.
- e. You must at Your own expense, supply any documents in support of Your claim which We may request, such as a police report, a Property Irregularity Report (PIR), receipts, valuations, a repair quote, a death certificate and/or medical certificate.
- f. You must co-operate fully in the assessment or investigation of Your claim.
- g. When making a claim, You are responsible for assisting Us and acting in an honest and truthful manner. If You make or try to make a false, exaggerated or fraudulent claim or use any false, exaggerated or fraudulent means in trying to make a claim, We will not pay Your claim, Your cover under this policy will be voided (without any return of the amount You have paid), We may report You to the appropriate authorities and You may be prosecuted.
- h. Where You are a registered entity on the Domestic Comprehensive Plan or Domestic Cancellation Plan You may be entitled to an input tax credit for Your Amount Payable and/or for things covered by this policy. You must disclose these entitlements to Us if You make a claim under Your policy.
- i. If We agree to pay a claim under Your policy We will base any claim payment on the GST inclusive costs (up to the relevant limits of liability). However, We will reduce any claim payment by any input tax credit You are, or would be, entitled to for the repair or replacement of insured property or for other things covered by this policy.
- j. We will be entitled, at Our expense, to have You medically examined or, in the event of death, a post-mortem examination carried out. We will give You or Your legal representative reasonable notice of the medical examination.

7. Policy interpretation

The policy shall be interpreted in accordance with the law of the Australian State or Territory in which it is issued.

8. Emergency assistance

- a. Where Your claim is excluded or falls outside the policy coverage, the giving of emergency assistance will not in itself be an admission of liability.
- b. The medical standards, sanitary conditions, reliability of telephone systems and facilities for urgent medical evacuations differ from country to country. Responsibility for any loss, medical complication or death resulting from any factor reasonably beyond Our control cannot be accepted by NRMA Insurance, Our emergency assistance, Cover-More or Us.
- c. If Your trip involves travel to a country or part of a country the Australian Government on the smartraveller.gov.au website has issued a "Reconsider your need to travel" or "Do not travel" advice or warning, We may not be able to provide You with emergency assistance in that country. For example, in a case where You travel to a war zone the airspace may be closed which may prevent Us from arranging emergency repatriation for a covered claim. This condition applies regardless of whether Your claim relates to the advice or warning.

9. Free extension of insurance

Where Your Journey is necessarily extended due to an unforeseeable circumstance outside Your control, Your Period of Insurance will be extended until You are physically able to travel Home by the quickest and most direct route. The Period of Insurance will not be extended for any other reason.

10. Special conditions, limitations, excesses and amounts payable

If You:

- a. want cover for an Existing Medical Condition or pregnancy which does not satisfy the provisions set out on pages 10-14, You will need to complete a health assessment. We will notify You of the outcome.

We will notify You in writing of these before We issue the policy.

11. Automatic reinstatement of sums insured

If You purchase the Annual Multi-Trip policy the sums insured under each Section of the policy are automatically reinstated on completion of each Journey and in respect of Section 4, also once on each Journey.

12. Policy conditions applying to Sections 1 and 2 only

- a. We have the option of returning You to Australia if the cost of medical and/or Additional expenses overseas are likely to exceed the cost of returning You to Australia subject always to medical advice. We also have the option of evacuating You to another country.
- b. In all cases the cost of evacuation or to bring You back to Australia will only be met if Your claim is approved by Us and it was arranged by and deemed necessary by Our emergency assistance network.
- c. If We request that You be moved to another hospital, return to Australia or be evacuated to another country and You refuse, We will only consider:
 - i. Your costs and expenses per Sections 1 and 2 (as applicable) incurred up to the time of Our request; and
 - ii. the lesser of:
 - an amount equivalent to the costs and expenses per Sections 1 and 2 (as applicable) that You would have incurred after Our request had You moved to another hospital, returned to Australia or been evacuated to another country as requested; or

14. Already travelling

If You purchase this policy on Your trip after leaving Home, this cover is subject to a 3 day no-cover period. This means there is no cover under any section of the policy for any event that has occurred already or that arises within the first 3 days of buying the policy.

15. Sanctions regulation

Notwithstanding any other terms or conditions under this policy, We shall not be deemed to provide coverage and will not make any payments nor provide any service or benefit to You or any other party to the extent that such cover, payment, service, benefit and/or activity of Yours would expose Us, Our parent company or Our ultimate controlling entity to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of Australia, New Zealand, the European Union, the United Kingdom, Switzerland, the United States of America or any other applicable trade or economic sanctions, law or regulation.

SECTION 4: Luggage and personal effects

1. Loss, theft or damage

If during the Period of Insurance Your luggage or personal effects are lost, stolen or damaged, after deducting depreciation as shown in the depreciation table, We will pay you for the repair costs if it is practical and cost-effective to repair your item. If it is not practical and cost-effective to repair the item and depreciation is not applicable, We will replace the item or provide You with a replacement voucher. If the above do not apply, We will pay You the monetary value of the item. When We decide what to do, We will consider the circumstances of Your claim and any preferences You may have. However, We will only pay You the monetary value of the item after applying any applicable depreciation if it is not practical or cost-effective to repair or replace the item.

If Your prescription medication is lost, stolen or damaged during the Period of Insurance We will also pay up to \$500 for expenses incurred overseas to replace that prescription medication.

If Your claim for loss or theft can be approved but Your items are found in the meantime and can be posted to You, We will instead pay up to \$500 for postage costs.

It is Your responsibility to provide Us with evidence to support Your claim for an item. This is 'proof of ownership'.

- We will accept the original or a copy of a purchase receipt, invoice and/or bank statement showing the purchase, the date of the purchase and the amount paid.
- We may consider valuation certificates (issued prior to the Relevant Time), ATM receipts and warranty cards with accompanying bank statement of purchases.
- We will not accept photographs, packaging or instruction manuals as proof of ownership.

Depreciation table

This policy operates on an indemnity basis which means settlement of Your claim is based on the value of an item at the time of the loss.

Depreciation takes into account the amount paid originally for the item, its age, wear and tear and advances in technology.

We will reduce the value of the items because of age, wear and tear, and advances in technology according to the table following:

Age of item and depreciation that applies	Items		
	Jewellery (not watches or costume jewellery)	Communication devices, all computers, electrical devices, electronics equipment, phones, all, photographic equipment, smart watches, tablet computers	Any other items
New-24 months	0%	0%	0%
25-36 months	0%	60%	36%
More than 36 months	0%	60%	60%

This means depreciation will not be deducted from items less than 2 years old at the time of loss. Items greater than 2 years old will have the percentage amount shown above deducted.

Item limits

Our payment will not exceed the original purchase price of an item with a limit for any one item, set or pair of items including attached and unattached accessories of:

Items and limits	International Comprehensive Plan	International Essentials Plan	Domestic Comprehensive Plan
Phone	\$1,000	\$1,000	\$1,000
Smart watch	\$1,000	\$1,000	\$1,000
Camera	\$4,000	\$3,500	\$3,500
Video camera	\$4,000	\$3,500	\$3,500
Drone (with or without camera)	\$1,000	\$1,000	\$1,000
Laptop computer	\$3,000	\$3,000	\$3,000
Tablet computer	\$3,000	\$3,000	\$3,000
Artificial limb	\$1,000	\$1,000	\$1,000
Dentures (full or partial)	\$1,000	\$1,000	\$1,000
Removable dental appliance	\$1,000	\$1,000	\$1,000
Medical device	\$1,000	\$1,000	\$1,000
Jewellery	\$1,000	\$1,000	\$1,000
Watch	\$1,000	\$1,000	\$1,000
Any other item	\$1,000	\$1,000	\$1,000

The following are examples of items considered as one item for the purpose of this insurance (an item limit will apply):

- Camera, lenses, tripods and camera accessories (attached or not)
- Smart phone and cover/case
- Matched or unmatched set of golf clubs, golf bag and buggy
- Necklace and pendant
- Charm bracelet and charms.

Claim example

A phone purchased for \$1,300 was 28 months old when it was stolen. An excess of \$100 applies. A claim would be calculated as follows.

Item

Phone cost \$1,300 when purchased over 2 years ago.

Depreciation

Minus \$780 depreciation ($\$1,300 \times 60\%$) = \$520

Excess

Minus policy excess \$100 (where applicable)

Total

The total in this case is \$420

Increased luggage item limit

Where an extra premium has been paid to increase the item limit for a single item, the claim will be assessed based on the item limit specified on the Certificate of Insurance. For items without a receipt or valuation that is less than two years old, we will deduct depreciation based on the item's age as per the Depreciation table on page 29.
