

Commercial Motor Vehicle Insurance

Supplementary Product Disclosure Statement

This Supplementary Product Disclosure Statement (Supplementary PDS) updates, and should be read with, the Commercial Motor Vehicle Insurance Product Disclosure Statement and Policy Booklet (PDS), Edition 1 dated 1st December 2005. These documents together with your current Certificate of Insurance make up the terms and conditions of your insurance contract with us. Your current Certificate of Insurance outlines the cover you have chosen.

Supplementary PDS 1.4 This supplementary Product Disclosure Statement (Supplementary PDS) Edition 1.4 will apply to policies with a commencement date on or after 28/12/2015 or with a renewal effective date on or after 28/12/2015. This Supplementary PDS replaces versions 1.1, 1.2 & 1.3.

Product Disclosure Statement (PDS)

PDS now includes policy terms and conditions

The Corporations Act 2001 now requires the terms and conditions (that are not part of your Certificate of Insurance) that apply to the Personal Accident and Illness cover, Motor Vehicle cover, and Domestic House and Contents cover available within the Commercial Motor Vehicle Insurance Policy to be in the PDS for your policy. This Supplementary PDS amends your PDS to meet this requirement.

Your Commercial Motor Vehicle Insurance PDS booklet contains your policy terms and conditions and policy wording in a separate section or part, or under a separate heading. The PDS is amended, and should now be read so that the policy terms and conditions or policy wording included in your PDS booklet that applies to the Personal Accident and Illness cover, Motor Vehicle cover, and Domestic House and Contents cover, is part of the PDS.

Any statement in your PDS to the effect that the policy terms or conditions, or policy wording, is not part of the PDS, is deleted.

Motor Vehicle Insurance and Repair Industry Code of Conduct

We support the Motor Insurance and Repair Industry Code of Conduct and are committed to continually reviewing our operations to ensure compliance.

Where we elect to repair a Vehicle through one of our suggested repairers, we may approve the use of non-mechanical reusable parts or *non-genuine parts which:

- Are consistent with the age and condition of the Vehicle;
- Do not affect the safety or the structural integrity of the Vehicle;
- Comply with the Vehicle manufacture's specifications and applicable Australian Design Rules;
- Do not adversely affect the post-repair appearance of the Vehicle and
- Do not void or affect the warranty provided by the Vehicle manufacturer.

In repairing your Vehicle, we may arrange for the repair to be carried out by a specialist service provider, for example windscreen repairs.

We offer a guarantee on the workmanship of repairs authorised by us. This guarantee is for the life of the Vehicle and is in addition to any statutory rights and warranties you may be entitled to. We will arrange for the repairs by us to be rectified at no cost to you if we agree that the repairs are defective. Before we can arrange for the defective repairs to be rectified, you must allow us to inspect the Vehicle. Wear and tear is not covered by this guarantee.

*Non-genuine parts are those parts not manufactured by a supplier to the original manufacturer of the Vehicle.

PRODUCT DISCLOSURE STATEMENT (PDS)

WHAT IS THE PRODUCT DISCLOSURE STATEMENT?

This Product Disclosure Statement (PDS) is designed to help you understand the key features of the Commercial Motor Vehicle Policy so that you can make an informed choice about whether to buy this product.

This PDS is a summary only of the cover available under the Commercial Motor Vehicle Policy.

For full details of the benefits, limitations, exclusions and options refer to the policy part of this booklet and your Certificate of Insurance or written quotation.

Choosing the type of insurance

You need to consider the type of insurance cover that suits your requirements. The significant features and benefits of the Commercial Motor Vehicle Policy are summarised below.

COMMERCIAL MOTOR VEHICLE POLICY

Depending on which options you choose, the Commercial Motor Vehicle Policy covers your nominated vehicles for loss or damage caused by an accident, by fire or through theft. There is also cover for your legal liability to a third party for property damage and in some cases personal injury.

What cover is available?

You can choose to insure:

business and private sedans, station wagons, vans, utilities, trucks, trailers, forklifts and other vehicles, and more than one vehicle.

The cover chosen can differ for each of the vehicles insured.

There is a choice of cover available for each vehicle, including:

- Comprehensive cover (this includes cover for loss or damage to the nominated vehicle as a result of an accident, by fire, or if the vehicle is stolen. It also includes \$20 million legal liability cover where the nominated vehicle causes damage to someone else's property, and in some cases personal injury, and you are, or the authorised driver is, at fault),
- Third party liability Fire and Theft cover (this includes cover for loss or damage to the nominated vehicle caused only by fire, or if the vehicle is stolen. It also includes \$20 million legal liability cover where the nominated vehicle causes damage to someone else's property, and in some cases personal injury, and you are, or the authorised driver is, at fault), or
- Third party liability only cover (this includes cover of up to \$20 million for where the nominated vehicle causes damage to someone else's property and in some cases personal injury, and you are, or the authorised driver is, at fault. It does not provide cover for damage to the nominated vehicle).

A sedan, station wagon, van or utility with less than 2 tonnes carrying capacity is covered for a value agreed between you and us (agreed value). In some circumstances we may cover these vehicles on a different basis. Refer to your Certificate of Insurance for details of the cover provided. Other vehicles are covered for their value as assessed by us at the time of the incident resulting in a claim (market value).

PRODUCT DISCLOSURE STATEMENT (PDS) (CONTINUED)

Are there any additional benefits?

If you choose **comprehensive** cover, the additional benefits you will receive include:

No Blame Bonus Concession – this protects the no claim bonus on the insured vehicle where the vehicle is involved in an accident and another person is entirely at fault for the accident and you can identify that person.

No Fault Excess claim for a sedan, station wagon, van or utility with less than 2 tonnes carrying capacity. You **will not** be required to pay an excess where the insured vehicle is involved in an accident and the driver of the other vehicle is entirely at fault and you can identify that person.

If you have **third party liability** cover, you will receive:

- up to \$25,000 cover for all claims arising out of any accident involving the commercial transportation of hazardous goods, and
- up to \$5,000 cover for the removal and disposal of any debris falling or spilling from the insured vehicle as a result of an accident

Are there any optional covers available?

Yes, no claim bonus protection cover has automatically been provided for any sedan, station wagon, van or utility with less than 2 tonnes carrying capacity where the vehicle is on the maximum no claim bonus (60%) and is covered for accident, fire and theft. With this cover you can make one claim each period of cover without losing the maximum no claim bonus on the vehicle. If you choose not to take this cover, **we will** reduce the cost of the policy.

Restrictions and limits on the cover

In a number of circumstances, there are restrictions and limits on the cover. This means there will either be no insurance provided or the amount **we will pay** you may be limited.

Some examples of circumstances where no insurance is provided, include when:

- the driver of the vehicle is affected by drugs or alcohol
- the vehicle is in an unroadworthy condition, or
- the driver of the vehicle is unlicensed.

Further examples where no insurance is provided include:

- repair of wear and tear damage to the vehicle
- any loss due to you not being able to use the vehicle, or
- replacement of keys or locks if keys to the vehicle are stolen or missing.

Examples of where no third party liability insurance is provided include:

- the vehicle is unregistered or unlicensed
- where your liability is to a family member, person ordinarily residing with you or an employee, or
- any liability in respect of which you are, or anyone else is, required by law to have another policy of insurance. For example where you are required to have compulsory third party injury insurance.

We won't cover you for any damage above the amount of insurance you have selected. Full details of the exclusions appear in Sections 1 and 5 of the policy part of this booklet.

For full details of the terms, conditions, restrictions and limits of the Commercial Motor Vehicle Policy see the policy part of this booklet.

GENERAL MATTERS

Information you need to provide

When you apply for insurance you will need to give us information about you and your circumstances. We need this to decide whether to enter into an insurance contract with you and, if so, on what terms. Any personal information you give us will be treated in accordance with the Privacy Act. For further information on privacy and your personal information refer to the Important Information section of your written Quotation, Cover Note or Certificate of Insurance.

Your Disclosure Obligations

When you take out insurance with us you have a duty to tell us of everything that you know, or could reasonably be expected to know, is relevant to our decision to insure you and to the terms of that insurance.

If you are not sure whether something is relevant you should inform us anyway.

You have the same legal duty to inform us of those things before you renew, extend, vary, or reinstate your contract of general insurance.

Your duty however **does not** require disclosure of things that:

- reduce the risk
- are common knowledge
- we know or, in the ordinary course of our business, ought to already know, or
- we tell you that we do not want to know.

If you do not comply with your Duty of Disclosure, we may be entitled to:

- reduce our liability for any claim
- cancel the contract, or
- avoid the contract from its beginning, if your non-disclosure was fraudulent.

What makes up your contract?

When we accept your application, or renew your insurance, or if your insurance is amended, your insurance contract is made up of the following two documents:

- the wording of the policy part of this booklet which applies to the type of cover you have selected, and
- your Certificate of Insurance, which shows the type of cover you have, any change or addition to that cover as well as other information specific to your contract of insurance.

We recommend that you read this booklet and your Certificate of Insurance carefully and keep it with your important papers.

Are there any excesses payable?

If you make a claim under the policy you may have to contribute some money towards the cost of the claim.

The amount of any excess and when it applies is detailed in the policy part of this booklet or your written quotation, cover note or certificate of insurance.

When making a claim you may be required to pay one excess or more.

Cost of the policy

The cost of the policy, or premium, is made up of the amount that we charge you for the cover plus any statutory charges such as GST and stamp duty. The details of these costs will be on your written quotation, cover note or certificate of insurance.

You can choose to pay your premium up-front annually or by direct debit on a monthly basis. We may also allow you to pay on a quarterly or half year basis. To reward you for paying up-front annually, the cost of the policy will be less than if you pay by monthly instalments. This is because the monthly instalments include an administration charge for processing the payments.

If you choose to pay by monthly direct debits, you must ensure that your payments are made each month. If a payment is unpaid for 14 days we may refuse to pay any claim under the policy. If one instalment is outstanding for one month or more, we may elect to cancel your policy.

If you request an amendment to the cover during the policy period, you will be informed of the cost (if any) of making the amendment.

Is there a cooling off period?

There is a 21 day cooling off period. If you're not completely satisfied with your policy, you can cancel it in writing within 21 days of the issue date and receive a full refund. This will not apply if you make a claim for any incident within the 21 day period.

WHO CAN I TALK TO IF I HAVE QUESTIONS, CONCERNS OR A COMPLAINT?

Step 1 - Talk to our staff first

If they are unable to resolve the matter for you, they will refer the matter to a manager.

Step 2 - Contact Customer Relations

If the matter cannot be resolved through a manager we can put you in contact with our Customer Relations Department.

Step 3 - Seek an external review of the decision

Customer Relations can advise you of the various external bodies available to you if the matter cannot be satisfactorily resolved internally.

WHAT IS THE CODE OF PRACTICE?

The General Insurance Code of Practice (“the Code”) is a self regulatory code put together by the Insurance Council of Australia after negotiation and consultation with the Commonwealth Government and other groups, including consumer organisations.

It was conceived as part of the insurance industry’s response to the growing needs of today’s consumers. The Code’s primary purpose is the promotion of good relations between consumers, insurers and agents.

We are a strong supporter of the Code and are pleased to be a part of this important initiative which became operative on 1st July, 1995.

WHAT DOES THE CODE MEAN TO YOU AS OUR CUSTOMER?

The Code will:

- improve standards of practice and service;
- enable you to make an informed choice about our products by making information more readily available;
- create greater awareness about your rights and obligations as a consumer;
- give you access to a fair dispute resolution process; and
- ensure you are made aware of claim procedures and are kept informed of the progress of your claim.

If you would like further information about the Code, please contact us.

OUR INTERNAL DISPUTE RESOLUTION PANEL

We have established an internal dispute resolution process for our customers. If you think that our decision about your claim is incorrect, talk to us about it. You can phone, write or come in to see us. A senior officer will check that all facts have been looked at, revise the decision if warranted, or explain why the original decision was made.

If you are still not happy, you can request a referral to our Dispute Resolution Panel. This Panel consists of senior management who are able to review the matter objectively and will:

- take a fresh look at your case; and
- vary the decision if this is considered appropriate.

The review process is designed to be both prompt and efficient. Referral to the Panel will be confirmed in writing within 3 working days of receiving your request. You will then be sent a letter by the Panel, advising on the outcome or the status of your case, within the next 7 working days.
