Key details about your policy

Words with special meaning

Some words in this PDS have special meaning – see 'Definitions' on pages 95 - 98.

Our agreement with you

1

Key details about
your policy

Your contract

Your policy is a contract between you and us and is made up of:

- your current Certificate of Insurance
- this Product Disclosure Statement and Policy Booklet (PDS), and
- any applicable Supplementary PDS.

More than one insured

If there's more than one insured, then anything that any one insured says, does or omits to do will apply to all of the other insureds.

Also, each insured can act on behalf of all the other insureds as their agent.

Certificate of Insurance

Your current Certificate of Insurance shows the type(s) of insurance and any optional covers you have chosen under your policy. It also shows the period that is covered by your policy – we only cover you for incidents that happen during the policy period.

Receiving your policy documents

You may choose to receive your policy documents:

- electronically – that is, by email, or
- by post.

If we send your policy documents by email, we will send them to the email address you last gave us. Any policy documents we send to your email address will be considered to have been received by you 24 hours from when we send them.

If we send your policy documents by post, we will send them to the mailing address you last gave us.

You are responsible for making sure the email and mailing address we have for you is up-to-date. It is important that you tell us of any change to your email or postal address – see 'You change your contact details' on page 89.

Limits, exclusions and conditions

Limits, exclusions and conditions apply to the cover you have chosen:

- throughout this PDS, we set out any specific limits, exclusions and conditions with the cover they apply to
- on pages 65 and 66, we set out the general exclusions that apply to all covers and benefits under your policy, and
- on pages 67 and 68, we set out your responsibilities when you are insured with us.

Special conditions

We may apply special conditions on your policy that may exclude, restrict or extend cover for a person or a particular matter at the time that you purchase the policy. For example, we may not cover you for some incidents like a bushfire, storm or flood if they cause loss or damage during a specific period which is also known as an embargo period.

Your current Certificate of Insurance shows any special conditions that apply to your policy, including the period of any applicable embargo period.

In addition, we may apply special conditions during your policy that limit your ability to make changes to coverage, sum insured and your policy terms.

Sum insured

Your current Certificate of Insurance shows the amount of insurance you have under your policy as your:

- Buildings sum insured, and/or
- Contents sum insured.

Some of the 'other benefits' provide cover for costs or expenses which are payable as part of your Buildings or Contents sums insured. Refer to page 32 for details.

Make sure you insure your home and contents for their full replacement value. To help you estimate the full replacement value, visit our website at nrma.com.au and use our home buildings and home contents calculators.

Each year your policy renews, we automatically increase your Buildings sum insured and General Contents sum insured to account for inflationary trends.

Valuable Contents (refer pages 54 and 55) and Portable Contents (refer pages 56 and 57), which are listed separately on your Certificate of Insurance, will remain insured for the values you nominated. As we will not increase the sum insured for these items on renewal, you must specifically ask us to increase these values, when necessary.

In your offer of renewal, we show you the new sum(s) insured that will apply during the next policy period.

Buildings sum insured

The Buildings sum insured is the amount of insurance you choose to cover your home.

We insure certain types of buildings – see page 15.

Contents sum insured

The Contents sum insured is the amount of insurance you choose to cover your contents. It is made up of:

- your General Contents sum insured, plus the sum insured that applies to any optional cover you have for:
 - Valuable Contents
 - Portable Contents.

If we replace an item that is part of your contents, we will replace it with a new one. This is known as 'new for old'.

We insure certain types of contents – see page 16.

Your premium

In return for paying your premium, we provide the cover you have chosen.

Your premium is based on the likelihood of a claim being made under your policy for an incident that occurs during the policy period. When we work out your premium, we look at a range of factors including:

- your address
- the amount your home and contents are insured for
- the construction materials of your home and roof.

For more information about how we work out your premium, the excesses that may apply to your policy and any discounts you may be eligible for, see our Premium, Excess & Discounts Guide.

Paying your premium

You must pay your premium on time. You can pay your premium:

- annually in one lump sum, or
- in monthly instalments by direct debit from an account or credit card you nominate (if we offer this option to you).

Your current Certificate of Insurance shows the amount you need to pay and the due date for your annual premium or for each monthly instalment.

If you pay annually, you can pay through any of these ways:

Go to nrma.com.au/payments or to our Self Service Centre and have your credit card ready

Contact your financial institution to arrange payment from your account

Call 131 144 and have your credit card ready

Pay in person using, EFTPOS, cheque, or credit card at an NRMA office or Australia Post Office (Australia Post also accepts cash)

Send your cheque or credit card details to the address shown on your notice.

What happens if you don't pay on time

When you take out insurance, you need to pay your annual premium or any instalments by the due date specified on your Certificate of Insurance.

An instalment is unpaid if it cannot be deducted from your nominated account or credit card.

If your premium is overdue, we will send you a notice outlining the overdue amount and when it needs to be paid.

If your premium remains unpaid after the time period specified in the notice we send, We will:

- cancel your policy for non-payment, and
- refuse to pay any claim for an incident occurring after the cancellation date.

If you pay by instalment, we will send you a second notice either before cancellation informing you of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.

If you need to make a claim when your policy is overdue, and before your policy has been cancelled for non-payment, we will require you to pay the overdue amount as part of the claim settlement process. Alternatively, where the settlement method allows we can reduce the settlement payment by the overdue amount.

Key details about your policy

21 day cooling-off period

You can tell us to cancel your policy within 21 days from:

- the date we issue your policy – for example, if you call us on 3 May to set up a new policy from 10 May, then your 21 day cooling-off period starts from 3 May as that's when we issued your policy
- the start date of the policy period that applies when you renew your policy.

If you tell us to cancel your policy within those times, we'll refund the premium you paid us in full. However, we can only do that if you haven't made a claim on your policy.

Assigning rights and appointing a representative

Assigning your rights

You must not assign any benefits, rights or obligations under your policy unless you get our written consent first.

Appointing someone to represent you

If you want to appoint someone to represent you, then you need to tell us and we need to agree that we will deal with them on your behalf. For example, you ask someone to manage your policy or a claim. For more details about who you can appoint to manage your claim, such as a repairer, see page 68.

We will not unreasonably withhold our consent to an appointment. However, we may have a concern with a party that may present a conflict of interest. For example, someone who supplies goods or services for your claim.

Governing law and GST

Governing law

This contract is governed by the law of the Australian State or Territory that your home is located in.

GST

All dollar values described in your policy include GST, unless we say they don't.

Buildings and contents we insure

We insure certain types of buildings and/or contents.
This section describes:

- The buildings we insure.
- The types of contents we insure.
- Where we insure your contents.
- Your General Contents.

We don't consider carpets to be part of your home unless you are a landlord – see page 38.

We don't insure:

Table 2.3 shows the General Contents items we limit and whether you can add the Valuable Contents and/or Portable options to your policy to increase your cover for those items.

We pay for items that are not shown here – for example your TV or home theatre. These are set out under ‘What we pay for – Contents Insurance’ on page 77.

Optional cover
you can add

Groups of contents
Jewellery and watches includes rings, watches, bracelets, necklaces and medals
Portable electronic devices includes laptops, cameras, mobile phones, audio visual equipment, smart watches and fitness bands
Sporting and recreational items includes bicycles, musical items, camping and sporting equipment
Mobility scooters
Glasses and medical items includes sunglasses, prescription glasses and hearing aids
Clothing and luggage includes baby capsules, clothes, luggage and purses

How to increase your cover for valuable or portable items

Follow these steps to insure your contents as Valuable Contents or Portable Contents.

Step 1

Select your contents

Select the groups of contents you want to insure as Valuable Contents or Portable Contents – see Table 4.2 on page 55 and Table 4.3 on page 57.

You don't need to list individual items that you want to insure for less than \$10,000 – we cover all of the items in the groups you select up to the sum insured you choose for each group.

Step 2

Select your sum insured

Choose a sum insured to cover each group of contents. For example, you may decide to insure your:

- 'jewellery and watches' under Portable Contents for \$15,000
- 'works of art' under Valuable Contents for \$10,000
- 'portable electrical devices' under Portable Contents for \$6,000.

Step 3

Specify items over \$10,000

To insure any one item for more than \$10,000, then you will need to ask us to separately list the item and its corresponding sum insured.

We may ask you to provide a written valuation.

General

and your

- make any admissions to anyone about any incident covered by your policy, or
- limit by agreement our rights of recovery from someone else.

Co-operate

You must:

- be truthful and frank in any statement you make to us
- not behave in a way that is improper, hostile, threatening, abusive or dangerous
- co-operate fully with us, even if we have already paid your claim which includes:
 - providing us with all the information, documents and help we need to deal with your claim – for example, bank statements or phone records. If we request information or documents that are relevant to your claim, we will provide an explanation as to why it is needed
 - as soon as reasonably possible sending us any communications that you receive about any incident – for example, emails, letters, notices or court documents
 - being interviewed by us or our representatives

If we ask you, you must:

- let us and our representatives inspect your home or contents at a reasonable time, and
- allow us to obtain quotations from any repairer or supplier.

Proof of loss and ownership

When you make a claim, we may ask you to provide certain documents to:

The types of documents we ask for depend on the situation and can include:

- give us any incident report number they give you.

Appointing others to manage your claim

If you want to appoint someone to manage your claim, then you need to tell us and we need to agree that we will deal with them on your behalf. You can usually appoint someone like a family member or broker.

We will not unreasonably withhold our consent to an appointment. However, we may have a concern with a party that may present a conflict of interest. For example, someone who supplies goods or services for your claim.

GST

If you are a business registered or required to be registered for GST purposes, then you must provide us with:

- your Australian Business Number (ABN), and
- the percentage of any input tax credit you have claimed or are entitled to claim on the premium you paid.

Excess

- What type of excess(es) applies to your claim?
- How much is your excess(es)?

Excesses

An excess is the amount you contribute towards the cost of your claim.

There are 3 types of excesses:

- basic
- earthquake, and
- special.

The type of excess you need to pay depends on what your claim relates to. You may need to pay more than one excess.

Your current Certificate of Insurance shows the amount and types of excesses that apply to your policy.

Paying your excess

When you make a claim, an excess may apply. If so, we will:

- deduct the excess from any claim payment, or
- request you pay the excess to us or, to the repairer or supplier.

If we request you pay the excess, we will tell you who to pay and may require payment as part of the finalisation of your claim.

When an excess does not apply

You don't need to pay an excess for a liability claim (see pages 61 to 63) or for a claim under the other benefit we provide for 'food spoilage' (see page 37).

Also, you don't have to pay an excess if you make a claim for an incident that we are satisfied someone else is responsible for and:

- you can provide the name and the address of that person, and
- the amount of the claim is more than any basic excess.

When determining the excess that will apply to your claim we may need to decide if you or someone else is responsible. To do this we may request additional information – for example witness statements or photographs – and consider any laws, bylaws or rules that apply to the claim circumstances.

If we are unable to determine that someone else was responsible, the excess is payable.

Deductions and unpaid premiums

If we pay your claim as a total loss, then we deduct other amounts to settle your claim.

If you currently pay your premium by monthly instalments, then before we pay your claim we deduct:

- any monthly instalments that are due but haven't been paid
- the monthly instalments that cover the rest of your policy period.

What we pay for – Buildings Insurance

If we agree to cover your claim under Buildings Insurance, then we will:

- pay the cost to repair or rebuild the part of your home that was damaged (whichever is lower)
- pay for any extra costs we cover under 'other benefits' – see below.

The most we pay

The most we will pay for your home is the Buildings sum insured.

Other benefits

We may also pay some costs on top of the Buildings sum insured under 'other benefits' for:

- Safety net (Home Plus policy only) – see page 45
- Temporary accommodation for home owners – see page 46
- Loss of rent for landlords – see page 41
- Mortgagee discharge costs – see page 42.

How we settle your buildings claim

We will choose to settle your claim for loss or damage to your home and any 'other benefits' in one of the following ways. Our choice will have regard to the circumstances of your claim and consider any preference you may have.

1. Arrange for repairers, builders or suppliers to repair or rebuild your home

If you agree, we can arrange for our preferred repairers, suppliers or builders to repair or rebuild your home. We may enter into a contract with our selected repairer, builder and/or supplier on your behalf.

2. Pay you the reasonable cost to repair or rebuild your home

We can choose to:

- pay you
- pay your nominated repairer, supplier or builder, or
- provide you with store credits from one of our nominated suppliers.

For example, we may pay you directly when:

- you decide not to repair or rebuild your home, or
- you don't start repairing or rebuilding your home within 6 months from when the loss or damage takes place, or within any longer period we agreed to in writing.

How we calculate the amount if we choose to pay you

If your building is repairable, in some circumstances we will choose to settle your claim by deciding to pay you. We will pay you the reasonable costs of what it would cost us provided the cost is available to or actionable by you.

What are some examples of when we do this?

- when you decide not to repair or rebuild your home
- if you don't start repairing or rebuilding your home within 6 months of the loss or damage, or within any longer period we agree to in writing
- if not all the damage to your building is covered by this policy – you can find examples of these under 'Not covered' or 'General exclusions and your responsibilities' in this policy
- your building may have had some damage that existed prior to the event you are claiming for
- your building cannot be repaired until other work that is required to be done by you is completed, or
- when it is the only way to settle your claim.

Calculation of the amount

- we may ask you to obtain a quote or we will obtain a quote for the repairs from our builder or repairer
- if we obtain the quote, we will provide you with details of the work that has been included:
 - this will be detailed in the quote or
 - for larger claims we may include a scope of works
- we will confirm that the builder who has provided the quote is prepared to undertake the work – provided you have completed any work that is required to be done by you first
- the amount we will pay you will not be more than the Buildings sum insured.

We will use this method to calculate your settlement provided we have not chosen to settle your claim under '3. Pay you the Buildings Sum Insured'.

3. Pay you the Buildings sum insured

We may pay you the Buildings sum insured, when we consider your home to be a total loss or when we choose to do so.

If we pay you the Buildings sum insured, then your policy ends and you don't get a refund of your premium.

We will continue your liability cover (see pages 61 to 63) for up to 6 months from when the listed event took place. However, liability cover will end during this period if:

- construction starts at your site, or
- you sell the site or any portion of it, or
- you take out a new Buildings Insurance policy for your site.

4. Pay for other benefits

We will choose the method of settlement for your claim under any 'other benefits' we provide.

When you have a Home Plus policy, the extra costs we pay under 'Safety Net' cover are not considered an 'other benefit'.

For examples of
how we calculate
home claims – see
pages 83-87

Lifetime guarantee

We provide a lifetime guarantee on the workmanship of repairs to your home that we authorise.

This means we will fix any defect caused by poor workmanship done by our preferred repairers or builders that we authorise.

We will decide how to fix any defect.

When you're not covered by this guarantee

This guarantee does not apply to:

- repairs you authorise yourself
- loss, damage or failure of any electrical or mechanical appliance or machine, or
- wear and tear that is consistent with normal gradual deterioration of your home.

Credit providers' rights

You may have used all or part of your home as security for a loan with a credit provider. Your credit provider may be a bank, credit union or other type of lender.

When you have Buildings Insurance, we may note any credit provider you tell us about on your current Certificate of Insurance.

When you have a noted credit provider:

- we treat your home as being under mortgage
- we treat any statement, act, omission or claim by you as a statement, act, omission or claim by the credit provider, and
- we may recover any payment either in your name or the credit provider's name.

When you have Contents Insurance, we don't note any credit provider on your current Certificate of Insurance. But, you need to give us their name when you make a claim for a contents item.

Payments to the credit provider

We may decide to pay you cash for a claim on your mortgaged property. If so, we will first pay the credit provider the lowest of these amounts after deducting any excess(es) and unpaid premium:

- the Buildings sum insured, or
- the reasonable cost of repairing or replacing your home, or
- the balance then owing to the credit provider under the mortgage.

However, we will only pay the credit provider if:

- they are noted on your current Certificate of Insurance, and
- they give us any help we ask for.

If we make a payment to a credit provider, then that payment discharges our obligation to you under your policy for the amount we have paid.

What we pay for – Contents Insurance

Claims and
what we pay

If we agree to cover your claim under Contents Insurance, then we will:

- pay the cost to repair or replace your contents (whichever is lower)
- pay for any extra costs we cover under 'other benefits' – see below.

The most we pay

What we pay to repair or replace your damaged contents depends on whether the contents items are covered under:

- General Contents
- Valuable Contents, and/or
- Portable Contents.

The most we will pay for loss or damage to your contents is the Contents sum insured.

Other benefits

We may also pay some costs on top of the General Contents sum insured under the following 'other benefits' for:

- Safety net (Home Plus policy only) – see page 45
- Temporary accommodation for tenants or strata scheme owners – see page 46.

If we agree to pay your claim for 'other benefits', then we will choose the method of settlement.

How we settle your contents claim

If we agree to cover your claim under Contents Insurance, then we can choose to pay your claim through any of these ways:

- repair the item, or
- replace the item with the same or similar type and quality, or
- pay you the reasonable costs of what it would cost us to repair or replace the items provided the cost is available to and actionable by you, or
- provide you with store credits to replace the item from one of our nominated suppliers, or
- pay you the sum insured or provide you with store credits from one of our nominated suppliers to the value of the sum insured that applies to the loss or damaged item of:
 - General Contents
 - Valuable Contents, or
 - Portable Contents.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

Conditions

- we can nominate the repairer or supplier and claims settlement method
- we may enter into any contract with the repairer or supplier on your behalf

How we calculate the amount if we choose to pay you

In some circumstances we will choose to settle your claim by deciding to pay you. We will pay you the reasonable costs of what it would cost us to repair or replace the items provided the cost is available to or actionable by you.

What are some examples of when we do this?

This may occur when the settlement types under 'How we will settle your contents claim' are unable to be used or when it is the only way to settle your claim.

Calculation of the amount

If we choose to settle your Contents claim by paying you the reasonable cost to repair or replace the items, we will calculate this amount in the following way.

If it was based on the cost to replace the item included as part of your claim:

- we will agree with you the appropriate replacement item to settle your claim
- we may ask you to obtain a quote or we may ask you to obtain a quote or we will obtain a quote from our supplier to replace the item and supply it to you
- we will use the quoted amount as the basis of the settlement.

The amount we pay you will not be more than the Contents sum insured.

If it was based on the cost to repair the item included as part of your claim:

- we will agree with you the repairs covered by your policy that are required to settle your claim
- we may ask you to obtain a quote or we may ask you to obtain a quote or we will obtain a quote from our supplier or repairer to repair the item for you
- the quote will include the details of the repairs required
- we will use the quoted amount as the basis of the settlement.

The amount we pay you will not be more than the Contents sum insured.

We provide examples of how we calculate contents claims – see pages 83-87

What happens after we pay the sum insured

If we pay you the Contents sum insured or the General Contents sum insured then your policy ends and you don't get a refund of any premium.

How we settle certain things

When we pay your claim, we settle certain things in line with the information shown in this section.

Matching materials

Under Buildings Insurance

- we only repair the damaged part(s) of your home. We don't pay for materials to match the undamaged parts of your home to create a uniform appearance
- In the event of repairs, we will make a fair and reasonable attempt to match the repairs to undamaged areas, using the closest match available
- If you are not satisfied with the closest match, you are able to:
 - pay the extra cost of repairing undamaged areas to achieve a matching appearance, or
 - we will pay you what it would have cost us to repair the damaged area provided that cost is available to or actionable by you.

Carpet, vinyl, tiles or floorboards

Under Buildings Insurance and Contents Insurance

- we only repair or replace the carpet, vinyl, tiles or floorboards in the part of your home that was damaged
- we don't pay for any adjoining rooms, or your entire home.

Pairs, sets or collections

Under Contents Insurance

- if there is loss or damage to a pair, set or collection, then we only cover the part that was affected.
- where it is not possible to repair or replace the damaged part and this will impact the mechanical or electronic operation of the entire pair or set we will:
 - replace the entire pair or set, or
 - pay you the value of the damaged pair or set.

For example – if one earring is damaged, we will only cover the cost of one earring however if one bluetooth headphone is damaged and the pair will not operate as intended we will pay for the entire pair.

Damaged or recovered property

Under Buildings Insurance and Contents Insurance

If we settle your claim:

- for damaged property, or
- for lost or stolen property that is subsequently recovered then it becomes our property, unless we let you keep it.

If we let you keep the damaged or recovered property, then:

- you are free to do whatever you like with it, and
- you are responsible for it and can't abandon it to us.

Businesses registered for GST

Before we make a payment to you, we will deduct an amount equal to your input tax credit entitlement. This applies to any amount we pay, including where we state that an amount will include GST.

Any payment we make to settle your claim will be considered to be made in full even if we have reduced the amount we pay as described above.

Recovery actions

You agree that the following provisions, which appear under the headings **Recovery action by us** and **Recovery action by you** apply where we cover you under the policy for some or all of the loss or damage you suffer in connection with an incident.

Recovery action by us

You agree we may, if we choose to, take steps to recover from someone else we consider responsible for the incident:

- some or all of the loss or damage we cover; and/or
- some or all of the loss or damage which we do not cover, whether or not it is covered by another insurer or you do not have cover for it.

You agree we may take such recovery action:

- without your consent;
- using your name; and
- whether or not you have been, or have a right to be, fully compensated for all of your loss or damage by us or anybody else.

Examples of recovery action we may take include:

- conducting legal proceedings using your name, including as an applicant or plaintiff in representative or group proceedings (commonly known as class actions);
- conducting legal proceedings on your behalf as a member of representative or group proceedings;
- taking over the conduct of legal proceedings started by you or on your behalf, including as an applicant or plaintiff in representative or group proceedings;
- exercising any statutory or contractual rights, including rights to opt-out, that you have in or in connection with representative or group proceedings; and/or
- entering into contracts in your name in relation to litigation funding or legal representation, including where entry into those agreements causes you to become a group member of representative or group proceedings.

We have in our discretion the right to decide upon the conduct and any settlement of any recovery action we take.

You agree we may exercise all the rights you have in connection with the loss or damage you have suffered in connection with the incident.

Of any amount recovered in a recovery action we take, you agree that we will first keep the amount we have paid, or must pay, you under the policy plus any interest recovered on that amount and any administrative, recovery agent, funding and legal costs we have incurred in taking the recovery action. We will then pay you the amount of loss or damage you have suffered in connection with the incident for which you do not have any cover with us plus any interest recovered on that amount and costs you may have been required by us to contribute. Finally, we keep any remaining balance.

You must give us all the information and co-operation that we require to take the recovery action. We will only request information or co-operation that is required to enable us to pursue the recovery action and will provide an explanation as to why they are needed.

You must not do anything which prejudices us in taking any recovery action without our written consent. For example, you must not:

- assign your rights to anyone else; or
- opt-out of any representative or group proceedings taken by us.

Recovery action by you

You may only take recovery action with our prior written consent and on conditions which we in our discretion impose.

You must have proper regard for our interests in respect of loss or damage that we cover.

You must seek to recover the loss or damage we cover in addition to any other loss or damage you have suffered in connection with the incident.

Of any amount recovered in a recovery action you take, you may first keep the amount of loss or damage you have suffered in connection with the incident and for which you do not have any cover with us plus any interest recovered on that amount and any administrative and legal costs you have incurred in taking the recovery action. You will then pay us the amount we have paid, or must pay, you under the policy plus interest recovered on that amount. Finally, you keep or pay any remaining balance in accordance with any other obligations you have.

You agree we may:

- take over the conduct of legal proceedings started by you or on your behalf, including where you are an applicant or plaintiff, or a group member, in representative or group proceedings; and
- require you to cease a recovery action that you have commenced.

Other information you need to know

When you take out insurance with us, you need to know some other important things like the changes you can make to your policy, how we resolve a complaint and how we manage your personal information.

Changes to your policy

Other information you need to know

This section describes the changes that you or we can make to your policy.

Additional premium or refund less than \$15

When a change is made to your policy, you may need to pay us an additional premium or we may need to refund part of your premium.

If the additional premium we need to charge you is less than \$15, then we'll waive it – that is, you don't need to pay it. If the amount we need to refund is less than \$15, then we'll donate it to charity rather than refund it to you.

Changes you can make

You may need to make a change to your policy or decide to cancel it.

To make a change to your policy or to cancel it:

Call
132 132

Visit
nrma.com.au

Visit an
NRMA office

You change your policy

You may want to make certain changes to your policy during the policy period. This may include adding options to increase your cover or increasing your basic excess.

An additional premium may apply to the change. You are required to pay the additional premium at the time the changes are made. If we make the change before you pay any additional premium, then you must pay the additional premium by the date we tell you it is due or we may remove the change from your policy. If we cannot remove the change and maintain cover, we may cancel your policy.

If we agree to make the change you request, we will:

- issue you with a current Certificate of Insurance
- refund any amount we owe you.

You change your contact details

If you change your contact details – for example, your mailing or email address then you must tell us as soon as reasonably possible. If you don't, then we will consider that you received your policy documents (that we sent to your old address) even though you didn't.

We will continue to send your policy documents to your nominated mailing or email address until you tell us to update your contact details.

You want to cancel your policy

You may decide to cancel your policy – for example, because you sell your home. If you tell us to cancel your policy and you:

- paid an annual premium, we will refund your unused premium after we deduct:
 - an amount that covers the period that you have been insured for, and
 - a cancellation fee of \$30 (plus GST and any other government charges that apply)
- pay your premium by monthly instalments, we will deduct:
 - any unpaid monthly instalments that are due, and
 - a cancellation fee of \$30 (plus GST and any other government charges that apply).

You authorise us to deduct the above amounts by direct debit from the account or credit card you previously nominated for monthly instalment deductions. As we are only allowed to deduct the agreed amount you previously authorised, we may need to collect the total amount you owe us over a few months.

If you tell us to cancel your policy within the 21 day cooling-off period, we'll give you a full refund – see page 13.

You sell your home

If you are selling your current home and buying a new permanent home in Australia, we provide some cover under 'Buying a new home' – see page 36.

If we don't cover you under 'Buying a new home', then this policy ends when settlement takes place on the sale of your current home.

You need to contact us and we will refund any unused premium for the policy period.

Changes we can make

We may need to cancel your policy or give you written notice about your policy.

We cancel your policy

There may be circumstances when we need to cancel your policy. We will only do that if the law allows it.

If we cancel your policy, we will:

- give you notice, if required, and
- refund your unused premium after we deduct an amount that covers the period that you have been insured for.

However, if you're currently paying your premium by monthly instalments, then you must pay us any unpaid monthly instalments that are due.

You authorise us to deduct those amounts by direct debit from the account or credit card you previously nominated for monthly instalment deductions. As we are only allowed to deduct the agreed amount you previously authorised, we may need to collect the total amount you owe us over a few months.

We give you notice

We may need to give you notice or contact you about your policy – for example, to let you know that we won't be renewing your policy or that we're changing your policy conditions.

We will give you notice or contact you through one or more of these ways:

- give you notice in person
- contact you or give you written notice by fax or electronically – for example, see page 9 about 'Receiving your policy documents'
- post it to your last known mailing address
- send you an electronic link so you can access the notice, or
- contact you by telephone.
