Key details about your policy

Words with special meaning

Some words in this PDS have special meaning – see ‘Definitions’ on pages 67 - 68.

Our agreement with you

Key details
about your
policy

Your contract

Your policy is a contract between you and us and is made up of:

- your current Certificate of Insurance
- this Product Disclosure Statement and Policy Booklet (PDS), and
- any applicable Supplementary PDS.

Anything that one owner says, does or omits to do, will apply to all the owners in the owners' corporation named as the insured on your current Certificate of Insurance.

Also, each owner can act on behalf of the insured as their agent.

Certificate of Insurance

Your current Certificate of Insurance shows the type(s) of insurance and the amount of insurance you have chosen under your policy. It also shows the period that is covered by your policy – we only cover you for incidents that happen during the policy period.

Receiving your policy documents

You may choose to receive your policy documents:

- electronically – that is, by email, or
- by post.

If we send your policy documents by email, we will send them to the email address you last gave us. Any policy documents we send to your email address will be considered to have been received by you 24 hours from when we send them.

If we send your policy documents by post, we will send them to the mailing address you last gave us.

You are responsible for making sure the email or mailing address we have for you is up-to-date. It is important that you tell us of any change to your email or postal address – see 'You change your contact details' on page 61.

Limits, exclusions and conditions

Limits, exclusions and conditions apply to the cover you have chosen:

- throughout this PDS, we set out any specific limits, exclusions and conditions with the cover they apply to
- on pages 39 and 40, we set out the general exclusions that apply to all covers and benefits under your policy, and
- on pages 41 and 42, we set out your responsibilities when you are insured with us.

Special conditions

We may apply special conditions on your policy that may exclude, restrict or extend cover for a person or a particular matter at the time that you purchase the policy. For example, we may not cover you for some incidents like a bushfire, storm or flood if they cause loss or damage during a specific period which is also known as an embargo period.

Your current Certificate of Insurance shows any special conditions that apply to your policy, including the period of any applicable embargo.

In addition, we may apply special conditions during your policy that limit your ability to make changes to coverage, sum insured and your policy terms.

Sum insured

Your current Certificate of Insurance shows the amount of insurance you have under your policy as the:

- Building sum insured, and/or
- Common contents sum insured.

Building sum insured

The Building sum insured is the amount of insurance you choose to cover the building.

We insure certain types of buildings – see page 16.

Common contents sum insured

Common contents sum insured is the amount of insurance you choose to cover your common contents.

If we replace an item that is part of the common contents, we will replace it with a new one. This is known as 'new for old'.

We insure certain types of contents – see page 17.

Calculating the Building sum insured

1

Key details
about your
policy

The Strata Schemes Management Act 1996 (NSW) ('the Act') is the legislation that governs strata title insurance in NSW. The Act states that you must:

- have the building valued every 5 years, and
- insure the building for its full replacement value.

While it is up to you to determine the correct Building sum insured, the following steps can help you to make sure the Building sum insured reflects the full replacement value of the building, at today's prices.

You can adjust your Building sum insured at any time during the policy period.

Step 1

Don't include your land value

- the replacement value of the building does not include the value of the land it is on, or of any of the land that makes up your site. Don't include it in your calculations.

Step 2

Include any improvements

- the replacement value of the building should include the structure and any improvements in or around the building that will increase the cost to rebuild or repair it.

Step 3

Include any structures and external fixtures

- the replacement value of the building should include all of the other structures and external fixtures on the property which make up the building environment, such as garages, swimming pools, fences, paths, clothes hoists, gates, fixed landscaping and sheds.

Step 4

Include any luxury fixtures

- the replacement value of the building should include the cost of repairing or replacing any luxury fixtures such as gold taps, granite or marble benchtops and floors.

Step 5

Include any rebuilding costs

- the replacement value of the building should include the likely cost of removing debris, the cost of employing an architect, engineer or surveyor and the costs associated with rebuilding on a remote site, a site with a slope or difficult access.

Step 6

Calculate the total

- add all of the above items together to arrive at the Building sum insured.

Calculating the Common contents sum insured

Check that you have the cover you need by making sure the Common contents sum insured reflects the current replacement value of your common contents.

It is your responsibility to make sure the Common contents sum insured reflects the replacement value of your common contents at today's prices.

You can adjust your Common contents sum insured at any time during the policy period.

Your premium

In return for paying your premium, we provide the cover you have chosen. Your premium is based on the likelihood of a claim being made under your policy for an incident that occurs during the policy period.

We consider how much risk it is for us to insure you.

If you have a low risk of claiming, then you will pay lower premiums than customers who have a high risk of claiming.

We assess the risk levels of individual cases using 'rating factors' based on our experience with claims.

When we work out your premium, we look at a range of factors including:

- the address of the building, and
- the Building sum insured and the Common contents sum insured.

The total cost of your premium will also include:

- any levies, applicable government taxes, such as GST, duties or charges.

You can reduce your premium

- by paying annually instead of in monthly instalments.

Paying your premium

You must pay your premium on time. You can pay your premium:

- annually in one lump sum, or
- in monthly instalments by direct debit from an account or credit card you nominate (if we offer this option to you).

Your current Certificate of Insurance shows the total amount you need to pay and the due date for your annual premium or for each monthly instalment.

If you pay annually, you can pay through any of these ways:

Go to nrma.com.au/payments and have your credit card ready

Contact your financial institution to arrange payment from your account

Call 131 144 and have your credit card ready

Pay in person using, EFTPOS, cheque, or credit card at an NRMA office or Australia Post Office (Australia Post also accepts cash)

Send your cheque or credit card details to the address shown on your notice.

What happens if you don't pay on time

When you take out insurance, you need to pay your annual premium or any instalments by the due date specified on Your Certificate of Insurance.

An instalment is unpaid if it cannot be deducted from your nominated account or credit card.

If your premium is overdue, we will send you a notice outlining the overdue amount and when it needs to be paid.

If your premium remains unpaid after the time period specified in the notice we send, we will:

- cancel your policy for non-payment, and
- refuse to pay any claim for an incident occurring after the cancellation date.

If you pay by instalment, we will send you a second notice either before cancellation informing you of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.

If you need to make a claim when your premium is overdue, and before your policy has been cancelled for non-payment, we will require you to pay the overdue amount as part of the claim settlement process. Alternatively, where the settlement method allows, we can reduce the settlement payment by the overdue amount.

21 day cooling-off period

You can tell us to cancel your policy within 21 days from:

- the date we issue your policy – for example, if you call us on 3 May to set up a new policy from 10 May, then your 21 day cooling-off period starts from 3 May as that's when we issued your policy
- the start date of the policy period that applies when you renew your policy.

If you tell us to cancel your policy within those times, we'll refund the premium you paid us in full. However, we can only do that if you haven't made a claim on your policy.

Assigning rights and appointing a representative

Assigning your rights

You must not assign any benefits, rights or obligations under your policy unless you get our written consent first.

Appointing someone to represent you

If you want to appoint someone to represent you, then you need to tell us, and we need to agree that we will deal with them on your behalf. For example, you ask someone to manage your policy or a claim. For more details about who you can appoint to manage your claim, such as a repairer, see page 42.

We will not unreasonably withhold our consent to an appointment. However, we may have a concern with a party that may present a conflict of interest. For example, someone who supplies goods or services for your claim.

Governing law and GST

Governing law

This contract is governed by the law of the Australian State or Territory that the building is located in.

GST

All dollar values described in your policy include GST, unless we say they don't.

Building and common contents we insure

We insure certain types of buildings and/or common contents. This section describes:

- The buildings we insure.
- The types of common contents we insure.

Full details about what we insure are set out in this PDS.

The buildings we insure

Under Building Insurance, we cover loss or damage to the building(s) at the site, which are subject to a strata scheme registered under the Strata Schemes Management Act 1996 (NSW), and are used exclusively for domestic purposes.

The building

The building(s) include:

- residential buildings at your site, including any building improvements
- any outbuildings, walls, gates, fences, swimming pools, carports and garages
- fixed coverings to walls, floors and ceilings
- fixtures, including built-in furniture and kitchen cupboards
- floating floors
- any permanent landscape features (not including any trees, shrubs, soil or natural bushland).

To see how we define key words like 'building' and 'fixtures', see pages 67 and 68

Buildings we don't insure

We don't insure:

- boarding houses or hostels
- hotels or motels
- commercial buildings
- exhibition or display home properties
- commercial farm buildings
- buildings that contain a lift
- buildings more than 4 storeys high (including any basement parking)
- buildings under initial construction, or
- buildings that are not solely used for residential purposes.

If you are not sure whether the building is any of these, call us on 132 132. We will refuse a claim and cancel your policy if the building is or becomes any of these things.

The building does not include:

- owners' paint or wallpaper and temporary wall, floor or ceiling coverings (we don't consider floating floorboards to be temporary)
- fittings, which are any items that can be removed from the building without causing damage to the building
- items that we consider to be common contents.

The types of common contents we insure

Common contents

Common contents are items that are not permanently attached or fixed to the structure of the building that you:

- own, or
- are legally responsible.

Common contents are contents items for resident's use in the common areas at the site and include:

- furniture and furnishings
- carpets
- paint, wallpaper, temporary wall, floor or ceiling coverings
- light fittings
- curtains and internal blinds
- portable domestic appliances
- domestic maintenance equipment.

Common contents we don't insure

We don't insure:

- animals
- plants, trees or shrubs growing in the ground
- grass, rocks, landscaping and soil on the site
- building materials or fixtures at the site due to be fitted to the building
- items which are part of the building
- contents belonging to owners or persons who live in the building or on the site
- watercraft, sailboards, trailers, caravans, aircraft or aerial devices
- vehicles including:
 - motor vehicles
 - motorcycles, or
 - ride-on vehicles such as motorised golf buggies or carts, unless it is a ride-on lawnmower used solely for the purpose of mowing lawns.

When you make a claim, we may ask you to provide proof of ownership and value for an item — for example, a receipt, valuation or photograph

What the building and common contents covers

We cover loss or damage to the building and/or common contents in certain situations. This section describes:

General exclusions also apply. If you don't meet your responsibilities, you may put your claim or cover at risk – see Section 5.

How we settle a claim is set out in Section 6.

We cover loss or damage to the building and/or common contents when certain things happen during the policy period. These are known as ‘listed events’.

Covered

- flood

Rainwater run-off means water that flows over the ground, or backs-up, as a result of a storm, that is not a flood

Not covered

 - pontoons, jetties or bridges
 - gravel driveways, or
 - swimming pool/spa covers that are more than 5 years old
- loss or damage caused by:
 - erosion, deterioration, collapse, shrinkage or any other earth movement
 - water which enters the building through any tarpaulins or fixings set up while you are renovating or altering the building.

Other benefits

We may also provide 'other benefits' that are set out in this section.

Table 3.2 shows the other benefits we give you and the type of policy the benefit applies to.

You can make a claim for other benefits when a listed event happens during the policy period and causes loss or damage to the building and/or common contents and we agree to pay for that loss or damage.

Other benefits and your sum insured

Your Building sum insured or Common contents sum insured is the most we'll pay for your building and common contents when you make a claim.

For these 'other benefits' we'll pay the cover amount on top of your sum insured:

- 'Loss of rent for landlords'
- 'Temporary accommodation for owners'.

The amount for all the remaining 'other benefits' benefits are included in your sum insured.

How we settle a claim is set out in Section 6.

Proof of loss and ownership

When you make a claim, we may ask you to provide certain documents to:

- prove that you own(ed) or are responsible for the items, and

- give us any incident report number they give you.

Appointing others to manage your claim

If you want to appoint someone to manage your claim, then you need to tell us and we need to agree that we will deal with them on your behalf. You can usually appoint someone like a family member. We will not unreasonably withhold our consent to an appointment. However, we may have a concern with a party that may present a conflict of interest. For example, someone who supplies goods or services for your claim.

Claims and what we pay

When you need to make a claim, we are available 24 hours a day,
7 days a week:

 131 123

Making a claim

We follow these steps to work out what to pay for your claim for loss or damage to the building and common contents. When you make a claim, we will:

- review any information you provide us when you lodge your claim
- ask you to provide us with any further information we require to support your claim, and
- tell you if you need to pay an excess(es) and how to pay it.

When you contact us to lodge your claim, please have your policy details ready.

Step 1

Type of Insurance

Do you have:

- Building and Common Contents Insurance?
- Building Insurance?
- Common Contents Insurance?

Step 2

For the building and common contents

Do we insure:

- the things that suffered the loss or damage?

Step 3

The incident

Was the loss or damage caused by:

- a listed event?
- an event covered under 'other benefits'?

Step 4

Exclusions and conditions

Is your claim affected by:

- any general exclusions or any specific exclusions (and/or conditions) that apply?
- you not meeting your responsibilities to us?

Step 5

Sum insured

How much is:

- your Building sum insured?
- your Common contents sum insured?

Step 6

Excess

- What type of excess(es) applies to your claim?
- How much is your excess(es)?

Excesses and other deductions

An excess is the amount you contribute towards the cost of your claim.

There are 3 types of excesses:

- basic
- earthquake, and
- special.

The type of excess you need to pay depends on what your claim relates to. You may need to pay more than one excess.

If you make a claim:

- you must pay the basic excess unless you make a liability claim, or
- for loss or damage as a result of an earthquake, then you pay the earthquake excess instead of the basic excess.

Your current Certificate of Insurance shows the amount and types of excesses that apply to your policy.

Table 6.1 shows the types of excess and amount that may apply to your claim. In some cases, you may not need to pay any excess – for example when making a liability claim.

Table 6.1 Excesses that apply to your claim

Type of excess		Excess amount
Basic	Applies to most claims	\$300
Earthquake	Applies to building claims as a result of an earthquake	\$1,000
Special	Any special excess is outlined in your current Certificate of Insurance and applies in addition to the basic excess.	

Paying your excess

When you make a claim, an excess may apply. If so, we will:

- deduct the excess from any claim payment, or
- request you pay the excess to us or, to the repairer or supplier.

If we request you pay the excess, we will tell you who to pay and may require payment as part of the finalisation of your claim.

Deductions and unpaid premiums

If we pay your claim as a total loss, then we deduct other amounts to settle your claim.

If you currently pay your premium by monthly instalments, then before we pay your claim we deduct:

- any monthly instalments that are due but haven't been paid
- the monthly instalments that cover the rest of your policy period.

What we pay for – Building Insurance

If we agree to cover your claim under Building Insurance, then we will:

- pay the cost to repair or rebuild the part of the building that was damaged (whichever is lower)
- pay for any extra costs we cover under 'other benefits' – see below.

The most we pay

The most we will pay for the building is the Building sum insured.

Other benefits

We may also pay some costs on top of the Building sum insured under 'other benefits' for:

- Loss of rent for landlords – see page 32
- Temporary accommodation of owners – see page 34.

How we settle your building claim

We will choose to settle your claim for loss or damage to the building and any 'other benefits' in one of the following ways. Our choice will have regard to the circumstances of your claim and consider any preference you may have.

1. Arrange for repairers, builders or suppliers to repair or the building

If you agree, we can arrange for our preferred repairers, suppliers or builders to repair or rebuild the building. We may enter into any contract with our selected repairer, builder and/or supplier on your behalf.

2. Pay you the reasonable cost to repair or rebuild the building

We can choose to:

- pay you
- pay your nominated repairer, supplier or builder, or
- provide you with store credits from one of our nominated suppliers.

For example, we may pay you directly when:

- you decide not to repair or rebuild the building, or
- you don't start repairing or rebuilding the building within 6 months from when the loss or damage takes place, or within any longer period we agreed to in writing.

How we calculate the amount if we choose to pay you

If your building is repairable, in some circumstances we will choose to settle your claim by deciding to pay you. We will pay you the reasonable costs of what it would cost us provided that cost is available to or actionable by you.

What are some examples of when we do this?

- when you decide not to repair or rebuild the building
- if you don't start repairing or rebuilding the building within 6 months of the loss or damage, or within any longer period we agree to in writing
- if not all the damage to your building is covered by this policy – you can find examples of these under 'Not covered' or 'General exclusions and your responsibilities' in this policy
- your building may have had some damage that existed prior to the event you are claiming for
- your building cannot be repaired until other work that is required to be done by you is completed, or
- when it is the only way to settle your claim.

Calculation of the amount

- we may ask you to obtain a quote or we will obtain a quote for the repairs from our builder or repairer
- if we obtain the quote, we will provide you with details of the work that has been included
 - this will be detailed in the quote or
 - for larger claims we may include a scope of works
- we will confirm that the builder who has provided the quote is prepared to undertake the work – provided you have completed any work that is required to be done by you first.

The amount we will pay you will not be more than the Buildings sum insured.

We will use this method to calculate your settlement provided we have not chosen to settle your claim under '3. Pay you the Buildings sum insured'.

We provide examples of how we calculate building claims – see pages 56 to 58

3. Pay you the Building sum insured

We may pay you the Building sum insured when we consider the building to be a total loss or when we choose to do so.

If we pay you the Building sum insured, then your policy ends and you don't get a refund of your premium.

We will continue your liability cover (see pages 36 and 37) for up to 6 months from when the listed event took place. However, liability cover will end during this period if:

- construction starts at the site, or
- you sell the site or any portion of it, or
- you take out a new Building Insurance policy for the site.

4. Pay for other benefits

We will choose the method of settlement for your claim under any 'other benefits' we provide.

What we pay for – Common Contents Insurance

If we agree to cover your claim under Common Contents Insurance, then we will:

- pay the cost to repair or replace the common contents (whichever is lower).

The most we pay

The most we will pay for loss or damage to the Common contents is the Common contents sum insured.

Other benefits

We may also pay some costs on top of the Common contents sum insured under the following 'other benefits' for:

- Renovating or altering the building – see page 33
- Temporary accommodation for owners – see page 34.

If we agree to pay your claim for 'other benefits', we will choose the method of settlement.

How we settle your common contents claim

If we agree to cover your claim under Common Contents Insurance, then we can choose to pay your claim through any of these ways:

- repair the item, or
- replace the item with the same or similar type and quality, or
- pay you the reasonable costs of what it would cost us to repair or replace the items provided the cost is available to and actionable by you, or
- provide you with store credits to replace the item from one of our nominated suppliers, or
- pay you the Common contents sum insured or provide you with store credits from one of our nominated suppliers to the value of the Common contents sum insured that applies to the loss or damaged item of common contents.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

Conditions

- we can nominate the repairer or supplier and claims settlement method
- we may enter into any contract with the repairer or supplier on your behalf

How we calculate the amount if we choose to pay you

In some circumstances we will choose to settle your claim by deciding to pay you. We will pay you the reasonable costs of what it would cost us to repair or replace the items provided the cost is available or actionable by you.

We provide examples of how we calculate common contents claims – see pages 56 to 58

What are some examples of when we do this?

This may occur when other ways to settle are unable to be used or when it is the only way to settle your claim.

Calculation of the amount

If we choose to settle your common contents claim by paying you the reasonable cost to repair or replace the items we will calculate this amount in the following way.

If it was based on the cost to replace the item included as part of your claim:

- we will agree with you the appropriate replacement item to settle your claim
- we may ask you to obtain a quote or we will obtain a quote from our supplier to replace the item and supply it to you
- we will use the quoted amount as the basis of the settlement.

The amount we pay you will not be more than the Common contents sum insured.

If it was based on the cost to repair the item included as part of your claim:

- we will agree with you the repairs covered by your policy that are required to settle your claim
- we may ask you to obtain a quote or we will obtain a quote from our supplier or repairer to repair the item for you
- the quote will include the details of the repairs required
- we will use the quoted amount as the basis of the settlement.

The amount we pay you will not be more than the Common contents sum insured.

What happens after we pay the sum insured

If we pay you the Common contents sum insured, then your policy ends and you don't get a refund of any premium.

What we pay for voluntary workers

If you make a claim for death or injury benefits for a voluntary worker, we may request:

- a medical certificate in relation to the condition of the voluntary worker
- an examination of the voluntary worker by a medical practitioner chosen by us
- a death certificate.

The most we pay

The most we will pay, in total, is \$40,000 in any one policy period:

- what we will pay for death or injury benefits depends on the specific injury to the voluntary worker(s) – see page 28
- the most we will pay for loss of earnings is up to a maximum of \$400 per week for 26 weeks if the voluntary worker(s) is unable to resume their paid employment.

Conditions

- we may pay any benefits either to you or directly to the voluntary worker.

If you make a claim for loss of earnings

You must provide:

- medical evidence showing the voluntary worker is:
 - unable to work or unable to work the same number of hours worked before the injury, or
 - unable to resume the same work carried out before the injury
- evidence establishing that the loss of earnings is due to the injury.

We may request:

- an authority from the voluntary worker to enable us to obtain from their employer evidence of loss of earnings
- the voluntary worker to tell us the name of the insurance company that provides workers compensation insurance to their employer.

How we settle certain things

When we pay your claim, we settle certain things in line with the information shown in this section.

Matching materials

Under Building Insurance

- we only repair the loss or damaged part(s) of the building. We don't pay for materials to match the undamaged parts of the building to create a uniform appearance.
- in the event of repairs, we will make a fair and reasonable attempt to match the repairs to undamaged areas, using the closest match available
- if you are not satisfied with the closest match, you are able to:
 - pay the extra cost of repairing undamaged areas to achieve a matching appearance, or

Damaged or recovered property

Under Building Insurance and Common Contents Insurance

If we settle your claim:

- for damaged property, or
- for lost or stolen property that is subsequently recovered

then it becomes our property, unless we let you keep it.

If we let you keep the damaged or recovered property, then:

- you are free to do whatever you like with it, and
- you are responsible for it and can't abandon it to us

Businesses registered for GST

Before we make a payment to you, we will deduct an amount equal to your input tax credit entitlement. This applies to any amount we pay, including where we state that an amount will include GST.

Any payment we make to settle your claim will be considered to be made in full even if we have reduced the amount we pay as described above.

Recovery actions

You agree that the following provisions, which appear under the headings **Recovery action by us** and **Recovery action by you** apply where we cover you under the policy for some or all of the loss or damage you suffer in connection with an incident.

Recovery action by us

You agree we may, if we choose to, take steps to recover from someone else we consider responsible for the incident:

- some or all of the loss or damage we cover; and/or
- some or all of the loss or damage which we do not cover, whether or not it is covered by another insurer or you do not have cover for it.

You agree we may take such recovery action:

- without your consent;
- using your name; and
- whether or not you have been, or have a right to be, fully compensated for all of your loss or damage by us or anybody else.

Examples of recovery action we may take include:

- conducting legal proceedings using your name, including as an applicant or plaintiff in representative or group proceedings (commonly known as class actions);
- conducting legal proceedings on your behalf as a member of representative or group proceedings;
- taking over the conduct of legal proceedings started by you or on your behalf, including as an applicant or plaintiff in representative or group proceedings;
- exercising any statutory or contractual rights, including rights to opt-out, that you have in or in connection with representative or group proceedings; and/or
- entering into contracts in your name in relation to litigation funding or legal representation, including where entry into those agreements causes you to become a group member of representative or group proceedings.

We have in our discretion the right to decide upon the conduct and any settlement of any recovery action we take.

You agree we may exercise all the rights you have in connection with the loss or damage you have suffered in connection with the incident.

Of any amount recovered in a recovery action we take, you agree that we will first keep the amount we have paid, or must pay, you under the policy plus any interest recovered on that amount and any administrative, recovery agent, funding and legal costs we have incurred in taking the recovery action. We will then pay you the amount of loss or damage you have suffered in connection with the incident for which you do not have any cover with us plus any interest recovered on that amount and costs you may have been required by us to contribute. Finally, we keep any remaining balance.

You must give us all the information and co-operation that we require to take the recovery action. We will only request information or co-operation which is relevant to pursue the recovery action and will provide an explanation as to why it is needed.

You must not do anything which prejudices us in taking any recovery action without our written consent. For example, you must not:

- assign your rights to anyone else - for example, a supplier or repairer; or
- opt-out of any representative or group proceedings taken by us.

Recovery action by you

You may only take recovery action with our prior written consent and on conditions which we in our discretion impose.

You must have proper regard for our interests in respect of loss or damage that we cover.

You must seek to recover the loss or damage we cover in addition to any other loss or damage you have suffered in connection with the incident.

Of any amount recovered in a recovery action you take, you may first keep the amount of loss or damage you have suffered in connection with the incident and for which you do not have any cover with us plus any interest recovered on that amount and any administrative and legal costs you have incurred in taking the recovery action. You will then pay us the amount we have paid, or must pay, you under the policy plus interest recovered on that amount. Finally, you keep or pay any remaining balance in accordance with any other obligations you have.

You agree we may:

- take over the conduct of legal proceedings started by you or on your behalf, including where you are an applicant or plaintiff, or a group member, in representative or group proceedings; and
- require you to cease a recovery action that you have commenced.

Other information you need to know

When you take out insurance with us, you need to know some other important things like the changes you can make to your policy, how we resolve a complaint and how we manage your personal information.

Changes to your policy

This section describes the changes that you or we can make to your policy.

Additional premium or refund less than \$15

When a change is made to your policy, you may need to pay us an additional premium or we may need to refund part of your premium.

If the additional premium we need to charge you is less than \$15, then we'll waive it — that is, you don't need to pay it. If the amount we need to refund is less than \$15, then we'll donate it to charity rather than refund it to you.

Changes you can make

You may need to make a change to your policy or decide to cancel it.

To make a change to your policy or to cancel it:

132 132

nrma.com.au

Visit an
NRMA office

You change your policy

You may want to make certain changes to your policy during the policy period. This may include increasing your Common contents sum insured.

An additional premium may apply to the change. You are required to pay the additional premium at the time the changes are made. If we make the change before you pay any additional premium, then you must pay the additional premium by the date we tell you it is due or we may remove the change from your policy. If we cannot remove the change and maintain cover, we may cancel your policy.

If we agree to make the change you request, we will:

- issue you with a current Certificate of Insurance
- refund any amount we owe you.

You change your contact details

If you change your contact details – for example, your mailing or email address – then you must tell us as soon as reasonably possible. If you don't, then we will consider that you received your policy documents (that we sent to your old address) even though you didn't.

We will continue to send your policy documents to your nominated mailing or email address until you tell us to update your contact details.

You want to cancel your policy

You may decide to cancel your policy – for example, because you sell the entire building or you no longer want your policy.

If you tell us to cancel your policy and you:

- paid an annual premium, we will refund your unused premium after we deduct:
 - an amount that covers the period that you have been insured for, and
 - a cancellation fee of \$30 (plus GST and any other government charges that apply)
- pay your premium by monthly instalments, we will deduct:
 - any unpaid monthly instalments that are due, and
 - a cancellation fee of \$30 (plus GST and any other government charges that apply).

You authorise us to deduct the above amounts by direct debit from the account or credit card you previously nominated for monthly instalment deductions. As we are only allowed to deduct the agreed amount you previously authorised, we may need to collect the total amount you owe us over a few months.

If you tell us to cancel your policy within the 21 day cooling-off period, we'll give you a full refund – see page 13.

Changes we can make

We may need to cancel your policy or give you written notice about your policy.

We cancel your policy

There may be circumstances when we need to cancel your policy. We will only do that if the law allows it.

If we cancel your policy, we will:

- give you notice, if required, and
- refund your unused premium after we deduct an amount that covers the period that you have been insured for.

However, if you're currently paying your premium by monthly instalments, then you must pay us any unpaid monthly instalments that are due.

You authorise us to deduct those amounts by direct debit from the account or credit card you previously nominated for monthly instalment deductions. As we are only allowed to deduct the agreed amount you previously authorised, we may need to collect the total amount you owe us over a few months.

We give you notice

We may need to give you notice or contact you about your policy – for example, to let you know that we won't be renewing your policy or that we're changing your policy conditions.

We will give you notice or contact you through one or more of these ways:

- give you notice in person
- contact you or give you written notice by fax or electronically – for example, see page 9 about 'Receiving your policy documents'
- post it to your last known mailing address
- send you an electronic link so you can access the notice, or
- contact you by telephone.
